THE LOAN CERTIFICATES

2.01. Loans and Loan Certificates. Pursuant to the terms hereof there may be outstanding hereunder from time to time Loans and Loan Certificates of any one or more of the following types:

(i) The Prime Loans of each Loan Participant shall be evidenced by one or more Prime Certificates payable to the order of such Loan Participant for the account of its Domestic Lending Office on the maturity date in an amount equal to its aggregate unpaid Prime Loans.

(ii) The CD Loans of each Loan Participant shall be evidenced by one or more CD Certificates payable to the order of such Loan Participant for the account of its Domestic Lending Office on the maturity date in an amount equal to its aggregate unpaid CD Loans.

(iii) The Euro-Dollar Loans of each Loan Participant shall be evidenced by one or more Euro-Dollar Certificates payable to the order of such Loan Participant for the account of its Euro-Dollar

Lending Office on the maturity date in an amount equal to its aggregate unpaid Euro-Dollar Loans.

(iv) The Alternative Loans shall, subject to the provisions of Section 2.19 hereof and to all applicable provisions of the Participation Agreement, be evidenced in such manner as shall be provided in appropriate indentures supplemental hereto, provided that no Alternative Loans may be outstanding hereunder unless all Loan Certificates have been or are concurrently being paid in full, together with accrued but unpaid interest and other amounts then due hereunder to the Indenture Trustee and the holders of the Loan Certificates.

Loans of only one of the types referred to in clauses (i) through (iv) hereof may be outstanding at any one time. The Owner Trustee may from time to time convert a Loan of one type into a Loan of another type by prepaying in full the principal of and interest on the Loan then outstanding and simultaneously reborrowing the principal amount thus prepaid under a Loan Certificate bearing the desired interest rate, all as more fully provided in this Section 2.

2.02 Terms of the Loan Certificates. (a) On the Closing Date there shall be issued, authenticated and delivered to the initial Loan Participant a Prime Loan Certificate, a CD Loan Certificate and a Euro-Dollar Loan Certificate substantially in the forms set forth, respectively, as Appendices B-1, B-2 and B-3 (having an aggregate principal amount equal to the amount of the loan made by the initial Loan Participant to the Owner Trustee on the Closing Date, as determined under Section 3.01(a) of the Participation Agreement), each duly executed by the Owner Trustee, duly authenticated by the Indenture Trustee and dated the Closing Date and registered in the name of such Loan Participant or such other name as such Loan Participant may specify to the Owner Trustee at least two Business Days prior to the Closing Date. Receipt by the Indenture Trustee of the Loan Certificates duly executed by the Owner Trustee shall constitute instruction to the Indenture Trustee to authenticate and deliver such Loan Certificates. Each Loan Certificate shall bear interest at the rates herein specified on the principal amount thereof from time to time outstanding from and including the date thereof until due and payable (computed on the basis of a year of 360 days and for the actual number of days elapsed). The principal of and interest on each Loan Certificate shall be payable as set forth herein and therein.

(b) No Loan Certificate shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose, unless it shall have been authenticated by or on behalf of the Indenture Trustee by manual signature.

(c) Each Loan Participant is authorized to endorse on the schedule attached to its Loan Certificates the amount of principal which the Owner Trustee elects from time to time to have evidenced thereby and any prepayments and repayments thereof. Principal drawdowns, replacements of principal of one Loan with other Loans, principal repayments and interest payments shall be annotated by each Loan Participant on the Loan Certificates held by it within a reasonable time after each such drawdown, replacement, repayment or payment, it being understood (a) that if for any reason such annotations are not made or the making thereof is delayed beyond a reasonable time, such annotations shall be deemed to have been made and (b) that in no event and under no circumstances shall the actual aggregate unpaid principal amount actually due and payable under all Loan Certificates held by any Loan Participant ever exceed at any time (i) the amount lent on the Closing Date less (ii) all principal repayments then or theretofore made by the Owner Trustee and collected by such Loan Participant. Prior to any transfer of any Loan Certificate each Loan Participant shall endorse thereon the amounts of loans evidenced by such Loan Certificates and the amount of principal paid thereon and the last date to which interest thereon has been paid.

2.03 Interest Rates. (a) Prime Loans. Each Prime Loan shall bear interest on the aggregate outstanding principal amount thereof, for each day of the Interest Period applicable thereto, at a rate per annum equal to the Adjusted Prime Rate and shall (if not repaid) be replaced with a new Prime Loan or other Loan at the end of such Interest Period. The interest rate for any indebtedness evidenced by a Prime Loan Certificate shall be automatically adjusted without the requirement of notice on and as of the opening of business on the effective date of any change in the Prime Rate.

As used herein, the term "Adjusted Prime Rate" means on any date the sum of the Prime Rate plus (i) 0% until the last Quarterly Payment Date in 1989, inclusive; (ii) 1/8 of 1% after the last Quarterly Payment Date in 1989 until the last Quarterly Payment Date in 1995, inclusive; and (iii) 2% thereafter.

Interest on Prime Loans shall be payable on each Quarterly Payment Date following the date such Loan is made.

If an Interest Period ends before the Quarterly Payment Date, the Loan outstanding from the date of the end of such Interest Period to the immediately following Quarterly Payment Date shall bear interest at the Adjusted Prime Rate for such period.

(b) CD Loans. Each CD Loan shall bear interest on the aggregate outstanding principal amount thereof, for each day of the Interest Period applicable thereto and shall (if not repaid) be replaced with a CD Loan or other Loan at the end of such Interest Period, at a rate per annum equal to the applicable CD Rate, it being understood however that on and after the last Quarterly Payment Date in 1995 there shall be no indebtedness evidenced by a CD Loan Certificate.

The "CD Rate" applicable to the CD Loan Certificates for any Interest Period means the sum of the Adjusted CD Rate plus (i) 1/2 of 1% until the last Quarterly Payment Date in 1989, (ii) 5/8 of 1% from the last Quarterly Payment Date in 1989 until the last Quarterly Payment Date in 1991, (iii) 3/4 of 1% from the last Quarterly Payment Date in 1991 until the last Quarterly Payment Date in 1993, and (iv) 7/8 of 1% from the last Quarterly Payment Date in 1993 until the last Quarterly Payment Date in 1995.

Such interest shall be payable for each Interest Period on the last day thereof if such last day is also a Quarterly Payment Date, or on the Quarterly Payment Date immediately following the end of such Interest Period. Any Loan outstanding from the end of an Interest Period to the immediately following Quarterly Payment Date shall bear interest at the Adjusted Prime Rate for such period.

The "Adjusted CD Rate" applicable to any Interest Period means a rate per annum determined pursuant to the following formula:

$$\text{ACDR} = \left[\frac{\text{CDBR}}{1.00 - \text{DRP}} \right] + \text{AR}$$

ACDR = Adjusted CD Rate

CDBR = CD Base Rate

DRP = Domestic Reserve Percentage

AR = Assessment Rate

(The amount in brackets shall be rounded upwards, if necessary, to the next higher 1/100th of 1%.)

The "CD Base Rate" applicable to any Interest Period is the rate of interest determined by the Reference Bank to be the prevailing rate per annum bid at 10:00 a.m. (New York City time) (or as soon thereafter as practicable) on the first day of such Interest Period by two or more New York certificate of deposit dealers of recognized standing for the purchase at face value from the Reference Bank of its certificates of deposit in an amount comparable to the then aggregate outstanding principal amount of the Loan Certificates and having a maturity comparable to such Interest Period.

The "Domestic Reserve Percentage" means for any day that percentage (expressed as a decimal) which is in effect on such day, as prescribed by the Board of Governors of the Federal Reserve System (or any successor) for determining the maximum reserve requirement (including without limitation any basic, supplemental or emergency reserves) for the Reference Bank in respect of new nonpersonal time deposits in dollars having a maturity comparable to the related Interest Period and in an amount of \$100,000 or more. The CD Rate shall be adjusted automatically without the requirement of notice on and as of the effective date of any change in the Domestic Reserve Percentage.

"Assessment Rate" means for any Interest Period the net annual assessment rate (rounded upwards, if necessary, to the next higher 1/100 of 1%) actually incurred by the Reference Bank to the Federal Deposit Insurance Corporation (or any successor) for such Corporation's (or such successor's) insuring time deposits at offices of the Reference Bank in the United States during the most recent period for which such rate has been determined prior to the commencement of such Interest Period.

(c) Euro-Dollar Loan Certificate. Each Euro-Dollar Loan Certificate shall bear interest on the aggregate outstanding principal amount thereof, for each day of such Interest Period applicable thereto, at a rate per annum equal to the sum of the applicable Adjusted Euro-Dollar Rate plus the Euro-Dollar Margin and shall (if not repaid) be replaced with a Euro-Dollar Loan or other Loan at the end of such Interest Period, it being understood however that after the last Quarterly Payment Date in 1995 there shall be no indebtedness evidenced by a Euro-Dollar Loan Certificate. Such interest shall be payable for each Interest Period on the last day thereof if such last day is also a Quarterly Payment Date, or on the Quarterly Payment Date immediately following the end of such Interest Period. Any Loan outstanding from

the end of an Interest Period to the immediately following Quarterly Payment Date shall bear interest at the Adjusted Prime Rate for such period.

"Euro-Dollar Margin" means (i) $3/8$ of 1% until the last Quarterly Payment Date in 1989, (ii) $1/2$ of 1% from the last Quarterly Payment Date in 1989 until the last Quarterly Payment Date in 1991, (iii) $5/8$ of 1% from the last Quarterly Payment Date in 1991 until the last Quarterly Payment Date in 1993, and (iv) $3/4$ of 1% from the last Quarterly Payment Date in 1993 until the last Quarterly Payment Date in 1995.

The "Adjusted Euro-Dollar Rate" applicable to any Interest Period means a rate per annum equal to the quotient obtained (rounded upwards, if necessary, to the next higher $1/100$ of 1%) by dividing (i) the applicable London Interbank Offered Rate by (ii) 1.00 minus the Euro-Dollar Reserve Percentage.

The "London Interbank Offered Rate" applicable to any Interest Period means the rate per annum at which deposits in dollars are offered to the Reference Bank in the London interbank market at approximately 11:00 a.m. (London time) two Business Days before the first day of such Interest Period in an amount approximately equal to the then aggregate outstanding principal amount of the Loan Certificates and for a period of time comparable to such Interest Period.

"Euro-Dollar Reserve Percentage" means for any day that percentage (expressed as a decimal) which is in effect on such day, as prescribed by the Board of Governors of the Federal Reserve System (or any successor), for determining the maximum reserve requirement for the Reference Bank in respect of "Eurocurrency liabilities" (or in respect of any other category of liabilities which includes deposits by reference to which the interest rate on Euro-Dollar loans is determined or any category of extensions of credit or other assets which includes loans by a non-United States office of the Reference Bank to United States residents). The Adjusted Euro-Dollar Rate shall be adjusted automatically without the requirement of notice on and as of the effective date of any change in the Euro-Dollar Reserve Percentage.

2.04 Duration of Interest Periods. (a) The duration of the initial Interest Period for any indebtedness evidenced by a CD Loan Certificate shall be as specified pursuant to the applicable provisions of Section 2.07. The Owner Trustee shall have the option to elect a duration of

approximately 90 or 180 days for each subsequent Interest Period applicable to such indebtedness.

(b) The duration of the initial Interest Period for any indebtedness evidenced by a Euro-Dollar Loan Certificate shall be as specified pursuant to the applicable provisions of Section 2.07. The Owner Trustee shall have the option to elect a duration of approximately three or six months for each subsequent Interest Period applicable to such indebtedness.

(c) The duration of the Interest Period for any indebtedness evidenced by a Prime Loan Certificate shall be the period of time which commences on the last day of the then current Interest Period (or the Closing Date, if applicable) and ends on any subsequent Quarterly Payment Date specified by the Owner Trustee; provided that the interest period commencing on the Closing Date shall end on April 1, 1985.

(d) Notice of all elections shall be given to the Indenture Trustee and the Reference Bank as provided in Section 2.07.

(e) If the Indenture Trustee and the Reference Bank do not receive a notice of election for the type and duration of an Interest Period pursuant to Section 2.07 within the time limits specified therein, the Owner Trustee shall be deemed to have elected that such indebtedness be evidenced by Prime Loan Certificates commencing on the last day of the then current Interest Period and ending on the next occurring Quarterly Payment Date.

(f) Notwithstanding anything to the contrary in the Indenture, the duration of each Interest Period with respect to both CD Loan Certificates and Euro-Dollar Loan Certificates shall be subject to the provisions of the definition of Interest Period.

2.05 Funding Losses. If, for any reason, (a) the Owner Trustee makes any payment of principal with respect to any indebtedness evidenced by a Fixed Rate Loan Certificate on any day prior to the last day of such Interest Period, or (b) any mandatory payment of principal required hereunder shall not be timely made, or any optional principal prepayment shall fail to occur due to no fault of the Indenture Trustee or the Reference Bank after notice has been given to the Indenture Trustee and the Reference Bank in accordance with this Indenture, the Owner Trustee shall

reimburse each Loan Participant on demand for resulting loss or expense incurred by it, if any, including without limitation, any loss incurred in obtaining, liquidating or employing deposits from third parties, provided that such Loan Participant shall have delivered to the Owner Trustee, the Lessee, the Owner Participant and the Reference Bank a certificate setting forth in reasonable detail the basis for determining such loss, which certificate shall be conclusive in the absence of manifest error.

2.06 Certain Determinations; Notices. (a) The Reference Bank shall determine in accordance with the provisions set forth in Section 2.03 and 2.04 each interest rate applicable to the indebtedness evidenced by the Loan Certificates issued hereunder and shall give prompt notice to the Owner Trustee, the Indenture Trustee, the Lessee, the Owner Participant and the Loan Participants by telex or cable of each rate of interest so determined, and its determination thereof shall be conclusive in the absence of manifest error. Not less than three Business Days before the due date of any interest payment hereunder, the Reference Bank shall notify the Owner Trustee, the Owner Participant, the Lessee, the Loan Participants and the Indenture Trustee in writing of the amount of all payments of interest due on such date with respect to its Loan Certificates. Notices from the Reference Bank hereunder may be amended to reflect (i) changes in the interest rate during the interim period between the giving of such notice and the relevant due date and (ii) miscalculations, and any amounts due in accordance with such amended notice shall be due upon receipt thereof.

(b) Within five Business Days following (i) each change in the Prime Rate and (ii) each change in the reserve percentages utilized in determining the Adjusted CD Rate or the Adjusted Euro-Dollar Rate hereunder, the Reference Bank shall give written notice thereof to the Owner Trustee, the Owner Participant, the Lessee, the Loan Participants and the Indenture Trustee.

(c) Any failure or delay by the Reference Bank in giving the notices required under this Section 2.06 or under any other provision hereof shall not constitute a defense to the payment of all sums due hereunder and under the Loan Certificates when and as the same shall become due and payable.

2.07 Certain Elections With Respect to Initial Indebtedness and Outstanding Indebtedness. (a) Initial Indebtedness. Loans during the period from the Closing Date

to April 1, 1985 shall be Prime Rate Loans. The Owner Trustee shall give the Reference Bank and the Indenture Trustee notice prior to April 1, 1985 specifying whether the indebtedness to be incurred by the Owner Trustee on such date is to be evidenced by Prime Loan Certificates, CD Loan Certificates or Euro-Dollar Loan Certificates. If such indebtedness is to be evidenced by Euro-Dollar Loan Certificates or CD Loan Certificates, such notice shall specify the duration of the first Interest Period applicable thereto which shall be approximately three or six months in the case of Euro-Dollar Loan Certificates and approximately 90 or 180 days in the case of CD Loan Certificates, in either case subject to the provisions of the definition of Interest Period; provided that if the date specified in such notice is not a Business Day, such indebtedness can only be evidenced by Prime Loan Certificates. If the Reference Bank and the Indenture Trustee do not receive such notice on a timely basis, the Owner Trustee shall be deemed to have made an election to have its initial indebtedness evidenced by a Prime Loan Certificate which shall have an Interest Period commencing on such date and ending on the next Quarterly Payment Date.

(b) Outstanding Euro-Dollar Loans. The Owner Trustee shall give the Reference Bank and the Indenture Trustee notice before the expiration of each Interest Period for the Euro-Dollar Loans specifying whether the outstanding Euro-Dollar Loans are to continue to be outstanding or are to be converted into Domestic Loans. If such notice specifies that Euro-Dollar Loans are to be converted into Domestic Loans, the Owner Trustee shall give the Reference Bank and the Indenture Trustee notice specifying whether such Domestic Loans are to be Prime Loans or CD Loans.

(c) Outstanding CD Loans. The Owner Trustee shall give the Reference Bank and the Indenture Trustee notice before the expiration of each Interest Period for the CD Loans specifying whether the outstanding CD Loans are to continue to be outstanding or are to be converted into Prime Loans or Euro-Dollar Loans.

(d) Outstanding Prime Loans. If at any time the Owner Trustee wishes to convert outstanding Prime Loans into Euro-Dollar Loans or CD Loans, it shall give the Reference Bank and the Indenture Trustee notice of such election, specifying the date of conversion (which shall be a Business Day or a Domestic Business Day, as the case may be) and designating the duration of the first Interest Period applicable thereto which, subject to the provisions of the

definition of Interest Period, shall be a period of approximately three or six months in the case of Euro-Dollar Loans or approximately 90 or 180 days in the case of CD Loans.

(e) Limitation on Elections. At any time (i) that an Event of Default under this Indenture shall have occurred and be continuing or (ii) on and after the last Quarterly Payment Date in 1995, there shall be no indebtedness evidenced by a CD Loan Certificate or Euro-Dollar Loan Certificate. Subject to Section 2.08, indebtedness evidenced by Prime Loan Certificates and CD Loan Certificates may not be outstanding at the same time and indebtedness evidenced by either type of Domestic Loan Certificates and by Euro-Dollar Loan Certificates may not be outstanding at the same time.

(f) Other Elections. Subject to the applicable advance notice requirement set forth in Section 2.07(g), prior to the end of each Interest Period, the Owner Trustee (or its assignee as provided in Section 6.13 of the Participation Agreement) shall notify the Reference Bank and the Indenture Trustee of the election of the type of indebtedness to be outstanding for the next occurring Interest Period and the duration of such Interest Period. Elections shall take effect from one Quarterly Payment Date for the duration of the Interest Period selected, provided that in each case such interest period shall be chosen so as to end on or before a Quarterly Payment Date.

(g) Advance Notice. The following number of advance Business Days' notice must be given before the beginning of any Interest Period applicable to a Fixed Rate Loan Certificate:

<u>Type of Indebtedness</u>	<u>Advance Notice</u>
CD	2 Domestic Business Days
Euro-Dollar	3 Business Days

If the required advance notice is not received as herein provided with respect to any Interest Period, the provisions of Section 2.07(f) shall govern.

(h) The Loan Participant may conclusively rely upon a notice from the Lessee pursuant to Section 6.13 of the Participation Agreement as to all interest rate elections of the Owner Trustee hereunder.

2.08 Change in Circumstances Affecting CD Loan Certificates and Euro-Dollar Loan Certificates. (a) Basis for Determining Interest Rate Inadequate or Unfair. If with respect to any Interest Period applicable to Fixed Rate Loan Certificates:

(i) the Reference Bank determines that deposits in dollars (in the applicable amounts) are not being offered to the Reference Bank in the relevant market for such Interest Period, or

(ii) Loan Participants holding Loan Certificates evidencing 50% or more in aggregate principal amount of the affected Loan Certificates certify in reasonable detail to the Reference Bank that because of changes in the character, nature or regulation of the relevant financial markets the Adjusted CD Rate or the Adjusted Euro-Dollar Rate, as the case may be, will not adequately and fairly reflect the cost to such Loan Participants of maintaining or funding their respective Loan Certificates for such Interest Period,

then, the Reference Bank shall forthwith give notice thereof to the Owner Trustee, the Owner Participant, the Lessee, the Indenture Trustee and the Loan Participants, whereupon until the Reference Bank notifies such Persons that the circumstances giving rise to such suspension no longer exist, (A) the right of the Owner Trustee to have its indebtedness to the Loan Participant evidenced by such Fixed Rate Loan Certificates, shall be suspended and, (B) at the end of the Interest Period during which such notice is given and for all Interest Periods thereafter occurring during the period of suspension, the Owner Trustee shall be entitled to have its indebtedness to the Loan Participant evidenced by Prime Loan Certificates and, if either the CD Loan Certificates or Euro-Dollar Loan Certificate are not affected by the factors referenced in the notice given by the Reference Bank, either a CD Loan Certificate or a Euro-Dollar Loan Certificate, whichever may be unaffected.

(b) Illegality. If, after the date of this Indenture, the adoption of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Loan Participant (or its Euro-Dollar Office) with any request or directive (whether or not having the force of law) of any such

authority, central bank or comparable agency shall make it unlawful or impossible for any Loan Participant (or its Euro-Dollar Office) to maintain or fund its Euro-Dollar Loan Certificates and such Loan Participant shall so notify the Reference Bank, the Reference Bank shall forthwith give notice thereof to the Owner Participant, the other Loan Participants, the Owner Trustee, the Indenture Trustee and the Lessee. Before giving any notice pursuant to this Section, such Loan Participant shall designate a different Euro-Dollar Office if such designation will avoid the need for giving such notice and will not, in the judgment of such Loan Participant, be otherwise disadvantageous to such Loan Participant. Upon receipt of such notice, the Owner Trustee shall be required to substitute the Euro-Dollar Loans with a Prime Loan or a CD Loan on either (i) the last day of the then current Interest Period applicable to such Euro-Dollar Loan Certificate if such Loan Participant may lawfully continue to maintain and fund such Euro-Dollar Loan Certificates to such day or (ii) immediately if such Loan Participant may not lawfully continue to maintain and fund such Euro-Dollar Loan Certificate to such day. In the event any such notice is given, then, unless and until the affected Loan Participant notifies the Owner Trustee, the Owner Participant and the Reference Bank that the circumstances giving rise to such illegality no longer apply, the right of the Owner Trustee to have its indebtedness evidenced by a Euro-Dollar Loan Certificate shall be suspended.

(c) Increased Cost. If after the date hereof, the adoption of any applicable law, rule or regulation, or any change therein, or any change in the interpretation or administration thereof by any governmental authority, central bank or comparable agency charged with the interpretation or administration thereof, or compliance by any Loan Participant (or its Lending Office) with any request or directive (whether or not having the force of law) of any such authority, central bank or comparable agency:

(i) shall subject any Loan Participant (or its Lending Office) to any tax, duty or other charge with respect to its Fixed Rate Loans by reason of its obligation to make Fixed Rate Loans; or

(ii) shall change the basis of taxation of payments to any Loan Participant of the principal of or interest on its Fixed Rate Loan Certificates or any other amounts due under or in respect of its Fixed Rate Loan Certificates or by reason of its

obligation to make Fixed Rate Loans (except, as to subsections 2.08(c)(i) and 2.08(c)(ii), for changes in the rate of tax on the overall net income of such Loan Participant or its Lending Office imposed by the jurisdiction in which such Loan Participant's principal executive office or Lending Office is located); or

(iii) shall impose, modify or deem applicable any reserve, special deposit or similar requirement (including, without limitation, any such requirement imposed by the Board of Governors of the Federal Reserve System, but excluding (A) with respect to any CD Loan Certificate, any such requirement included in an applicable Reserve Percentage and (B) with respect to any Euro-Dollar Loan Certificate, any such requirement included in an applicable Euro-Dollar Reserve Percentage) against assets of, deposits with or for the account of, or credit extended by, any Loan Participant's Lending Office or shall impose on any Loan Participant (or its Lending Office) or on the United States market for certificates of deposit or the London interbank market any other condition affecting its Fixed Rate Loan Certificates or by reason of its obligation to make Fixed Rate Loans;

and the result of any of the foregoing is to increase the cost to such Loan Participant (or its Lending Office) of maintaining or funding its Fixed Rate Loan Certificates or to reduce the amount of any sum received or receivable by such Loan Participant (or its Lending Office) under this Indenture or under its Fixed Rate Loan Certificates with respect thereto, by an amount deemed by such Loan Participant to be material, then, within 15 days after demand by such Loan Participant (with a copy to the Reference Bank, the Owner Participant, the Lessee and the Indenture Trustee), the Owner Trustee shall pay to such Loan Participant such additional amount or amounts as will compensate such Loan Participant for such increased cost or reduction. Each Loan Participant will promptly notify the Indenture Trustee, the Owner Trustee, the Owner Participant, the Lessee and the Reference Bank of any event of which it has knowledge, occurring after the date hereof, which will entitle such Loan Participant to compensation pursuant to this Section and will designate a different Lending Office if such designation will avoid the need for, or reduce the amount of, such compensation and will not, in the judgment of such Loan Participant, be otherwise disadvantageous to such Loan Participant. A certificate of

an authorized officer of any Loan Participant claiming compensation under this Section and setting forth in reasonable detail the additional amount or amounts to be paid to it hereunder shall be conclusive in the absence of manifest error. In determining such amount, such Loan Participant may use any reasonable averaging and attribution methods.

2.09 Interest Payments. All interest accrued on the aggregate outstanding principal balance of the Loan Certificates shall be payable in arrears in accordance with Section 2.03 hereof. Interest on the Loan Certificates shall be computed on the basis of a year of 360 days and paid for actual days elapsed (including the first day but excluding the last day).

2.10 Mandatory Repayments of Loan Certificates and Application of Payments to Principal and Interest. (a) Mandatory Repayments.

(i) The Owner Trustee shall repay and there shall become due and payable on the Loan Certificates (subject as to actual date of payment to Section 10.05 hereof), on each Principal Repayment Date, an amount equal to the Amortization Amount; provided that in any event all unpaid indebtedness evidenced by the Loan Certificates shall be paid in full on April 1, 2005; together with all accrued but unpaid interest due thereon and all other amounts then due the holders thereof hereunder.

(ii) In addition to the mandatory repayments required under subsection 2.10(a)(i) above, there shall be mandatory repayments of principal on the Loan Certificates as follows: (A) when Termination Value is due and payable under Section 8 of the Lease, (B) when Stipulated Loss Value is due and payable under Section 8 of the Lease, (C) when the Lessee purchases the Rail Cars under Section 17 of the Lease, and (D) when required under Sections 2.19, 3 and 4 of this Indenture.

(iii) Each required repayment under this Section 2.10 shall be applied to the Loan Certificates in the proportion that the outstanding unpaid principal balance of each Loan Certificate bears to the aggregate outstanding unpaid balance of all Loan Certificates.

(b) Application of Payments. In the case of each Loan Certificate, each payment of principal and interest thereon shall be applied, prior to an Indenture Default and except as otherwise expressly provided in this Indenture, first, to the payment of accrued but unpaid interest on such Loan Certificate to the date of such payment, second, to the payment of the principal amount of such Loan Certificate then due thereunder and third, the balance, if any, remaining thereafter, to the payment of the principal amount of such Loan Certificate remaining unpaid.

2.11 Optional Prepayment of Loan Certificates. Notwithstanding any other provision herein or in the Loan Certificates to the contrary, the Loan Certificates and the indebtedness evidenced thereby may be prepaid in full on a Refunding Date (which shall be a Principal Repayment Date) in accordance with the following terms and conditions:

(a) Owner Trustee shall give the Indenture Trustee, the Reference Bank and each Loan Participant not less than 30 days prior written notice of the Refunding Date;

(b) On the Refunding Date, the Owner Trustee shall pay to the Indenture Trustee for the account of the Loan Participants the then aggregate outstanding unpaid principal balance of the Loan Certificates, together with accrued but unpaid interest on the Loan Certificates to and including the Refunding Date, plus the full amount of additional compensation or other payments, if any, then expressly required and then due to the Loan Participant, or any of them, in respect of its Loan Certificates under any of the applicable provisions of this Indenture (including any payments in respect to funding losses as may be due under Section 2.05);

(c) On the Refunding Date, the Owner Trustee shall pay to the Indenture Trustee for the account of the Loan Participant a prepayment fee equal to (i) $\frac{3}{8}$ of 1% of the aggregate unpaid principal amount of the Loan Certificates outstanding immediately prior to prepayment, if prepayment occurs at any time prior to the last Quarterly Payment Date in 1989 or (ii) $\frac{1}{4}$ of 1% of the said aggregate outstanding unpaid principal amount if prepayment occurs after the last Quarterly Payment Date in 1989 and on or prior to the last Quarterly

Payment Date in 1993; provided that no prepayment fee shall be due if prepayment occurs after the last Quarterly Payment Date in 1993; and provided, further, that the prepayment fees referenced in clauses (i) and (ii) above shall not be payable in the event that (A) prepayment hereunder shall occur as a result of the refinancing of the total outstanding unpaid indebtedness then evidenced by the Loan Certificates pursuant to fixed rate financing obtained by the Owner Trustee from a banking institution or other institutional investor specifically for the purpose of refinancing the indebtedness evidenced by the Loan Certificates or (B) prepayment hereunder shall occur as a result of refinancing (whether at a fixed or variable rate) which shall have been obtained through Morgan Guaranty Trust Company of New York or an Affiliate of Morgan Guaranty Trust Company of New York.

(d) All payments received by the Indenture Trustee pursuant to this Section 2.11 shall on the Refunding Date, be paid over to the Loan Participant.

2.12 Overdue Amounts. If payment of any installment of interest and/or principal payable in accordance with the terms hereof and of the Loan Certificates, or the payment of any other amount due and payable by the Owner Trustee under this Indenture or the other Basic Agreements, is not paid in full when due, whether as scheduled or upon acceleration and whether before or after the maturity date of the Loan Certificates, such overdue amount, including, to the extent permitted by law, overdue interest, shall bear interest, payable on demand, for each day from and including the date payment thereof was due to but excluding the date of actual payment, at the Past Due Rate.

2.13 Payments from Indenture Estate Only; Maintenance of Non-Recourse Debt. (a) Without impairing the rights, powers, privileges, liens or security interests of the holders of the Loan Certificates under this Indenture, each holder of a Loan Certificate, by its acceptance of a Loan Certificate, agrees that, except as expressly provided in this Indenture, the Participation Agreement or any other Basic Agreement, (i) the obligation to make all payments of principal and interest on the Loan Certificates, and the performance by the Owner Trustee of every obligation or covenant contained in this Indenture, shall be payable only from the income and proceeds of the Indenture Estate and only

to the extent that the Indenture Trustee shall have sufficient income or proceeds from the Indenture Estate to make such payments in accordance with the terms of Section 3; and (ii) neither the Owner Trustee, in its individual capacity, nor the Owner Participant, nor the Indenture Trustee, in its individual capacity, shall have any personal liability for any amounts payable hereunder or under the Loan Certificates. These provisions are not intended as any release or discharge of the indebtedness represented by the Loan Certificates and the Indenture, but are intended only as a covenant not to sue the Owner Participant or the Owner Trustee or the Indenture Trustee in their individual capacities for a deficiency, the indebtedness represented by this Indenture and the Loan Certificates to remain in full force and effect as fully as though these provisions were not contained in this Indenture. The Owner Trustee hereby acknowledges that the holders of the Loan Certificates have expressly reserved all their legal rights and remedies against the Indenture Estate and the Trust Estate, including, without limitation of the generality of the foregoing, the right, in the event of the default in the payment of principal or interest on any Loan Certificates, or upon the occurrence and continuation of any other Event of Default under this Indenture, to foreclose upon this Indenture and/or to receive the proceeds from the Indenture Estate and otherwise to enforce any other right under this Indenture.

(b) If (1) Lessor or Owner Participant becomes a debtor subject to the reorganization provisions of the Bankruptcy Reform Act of 1978 or any successor provision, (2) pursuant to such reorganization provisions the Lessor or Owner Participant is required, by reason of the Lessor or Owner Participant being held to have recourse liability to the holder(s) of the Loan Certificates or to the Indenture Trustee directly or indirectly, to make payment on account of any amount payable as principal or interest on the Loan Certificates and (3) any holder(s) of the Loan Certificates or the Indenture Trustee actually receives any Excess Amount which reflects any payment by the Lessor or Owner Participant on account of (2) above, then such holder(s) or the Indenture Trustee, as the case may be, shall promptly refund to the Lessor or Owner Participant such Excess Amount. For purposes of this Subsection 2.13(b), "Excess Amount" means the amount by which such payment exceeds the amount which would have been received by the holder(s) of the Loan Certificates or the Indenture Trustee if the Lessor or Owner Participant had not become subject to the recourse liability referred to in (2) above. Nothing contained in this Subsection 2.13(b) shall prevent the holder of a Loan Certificate or the Inden-

ture Trustee from enforcing any personal recourse obligation (and retaining the proceeds thereof) of the Lessor or Owner Participant under this Lease or the Indenture (and any exhibits or annexes thereto), or from retaining any amount paid to the Indenture Trustee under the Indenture.

2.14 Method of Payment. (a) Payments on Loan Certificates. The principal of and interest on each Loan Certificate shall be payable at the Indenture Trustee Office in lawful money of the United States of America, in immediately available funds, and shall be paid by the Indenture Trustee to the Loan Participants by crediting the amount to be distributed to any holder of a Loan Certificate to any account maintained by such holder with the Indenture Trustee or, if such an account is not maintained, by whichever of the following methods shall be specified by notice from such holder to the Indenture Trustee: (i) by making such payment to such holder in immediately available funds at the Indenture Trustee Office, (ii) by transferring such amount in immediately available funds to a banking institution designated in such notice with bank wire transfer facilities for the account of such holder or (iii) by mailing a check for such amount to such holder at its address specified in or pursuant to the Participation Agreement (in the case of the holders that are parties to the Participation Agreement) or at such address as such holder shall designate by notice to the Indenture Trustee, in all cases without any presentment or surrender of any Loan Certificate, except that the holder of each Loan Certificate shall surrender such Loan Certificate for payment on the date of the final maturity thereof. So long as any signatory to the Participation Agreement or nominee thereof shall be the registered holder of a Loan Certificate or the holder of record of a Loan Certificate, all payments to it shall be made in the manner provided in or pursuant to the Participation Agreement unless it shall have specified some other manner of payment by notice to the Indenture Trustee in accordance with the first sentence of this Subsection 2.14(a).

(b) Registered Holder as Absolute Owner. The Owner Trustee and the Indenture Trustee may deem and treat the person in whose name any Loan Certificate shall be registered as provided in Sections 2.02 and 2.16 as the absolute owner and holder of such Loan Certificate for the purpose of receiving payment of all amounts payable with respect to such Loan Certificate and for all other purposes, and the Owner Trustee and the Indenture Trustee shall not be affected by any notice to the contrary.

2.15 Termination of Interest in Indenture Estate.

A holder of a Loan Certificate shall have no further interest in, or other right with respect to, the Indenture Estate when and if the principal of and interest on all Loan Certificates held by such holder and all other sums payable to such holder hereunder, under the Basic Agreements and under such Loan Certificates shall have been paid in full.

2.16 Transfer of Loan Certificates; Replacement Loan Certificates. The Owner Trustee shall maintain at the Indenture Trustee Office a register for the purpose of registering transfers and exchange of registered Loan Certificates. A holder of a Loan Certificate intending to transfer any or all of the Loan Certificates held by such holder to a new payee, or to exchange any or all of the Loan Certificates held by it for Loan Certificates of different denominations, shall surrender such Loan Certificate or Loan Certificates to the Indenture Trustee at the Indenture Trustee Office, together with a written request from the holder for the issuance of one or more new Loan Certificates, specifying the denomination or denominations thereof (which must be \$100,000 or multiples thereof, plus one Loan Certificate in a smaller denomination, if requested) and, in the case of a surrender for registration of transfer, the name and address of the new payee or payees. Promptly upon receipt of such documents the Owner Trustee shall issue a new Loan Certificate or Loan Certificates in the same form, in the same aggregate original principal amount and dated the same date or dates as the Loan Certificate(s) being surrendered, and in such denomination(s) and registered in the name of such payee(s) as shall be specified in the written request from such holder. Each Loan Certificate presented or surrendered for issue and registration of a new Loan Certificate or Loan Certificates shall be duly endorsed, or shall be accompanied by a written instrument of transfer duly executed, by the registered holder of such Loan Certificate or its attorney duly authorized in writing. All Loan Certificates issued upon any registration of transfer or exchange of Loan Certificates shall be the valid obligations of the Owner Trustee evidencing the same respective obligations, and entitled to the same security and benefits under this Indenture, as the Loan Certificates surrendered upon such registration of transfer or exchange. The Indenture Trustee shall authenticate each new Loan Certificate on request by the Owner Trustee and shall make a notation thereon of the aggregate amount of all payments or prepayments of principal previously made on the old Loan Certificate or Loan Certificates with respect to which such new Loan Certificate is issued and the date to which interest on

such old Loan Certificate or Loan Certificates has been paid. The Indenture Trustee shall not be required to register the transfer of or exchange any surrendered Loan Certificate as above provided during the ten-day period preceding the due date of any payment on such Loan Certificate.

2.17 Mutilated, Defaced, Destroyed, Lost or Stolen Loan Certificates. If any Loan Certificate shall become mutilated, defaced, destroyed, lost or stolen, the Owner Trustee shall, upon the written request of the registered holder of a Loan Certificate, execute and deliver in replacement thereof a new Loan Certificate in the same form, in the same original principal amount and dated the same date as the Loan Certificate so mutilated, defaced, destroyed, lost or stolen. If the Loan Certificate being replaced has become mutilated or defaced, such Loan Certificate shall be surrendered to the Indenture Trustee and forwarded to the Owner Trustee by the Indenture Trustee. If the Loan Certificate being replaced has been destroyed, lost or stolen, the holder of such Loan Certificate shall furnish to the Owner Trustee and the Indenture Trustee such security or indemnity as may be required by them to save the Owner Trustee and the Indenture Trustee harmless and evidence satisfactory to the Owner Trustee and the Indenture Trustee of the destruction, loss or theft of such Loan Certificate and the ownership thereof, provided that, if the holder of such Loan Certificate is one of the signatories to the Participation Agreement, or an Affiliate thereof, the written undertaking of such holder delivered to the Owner Trustee and the Indenture Trustee shall be sufficient security and indemnity. The Indenture Trustee shall authenticate each new Loan Certificate on request by the Owner Trustee and shall make a notation thereon of the aggregate amount of all payments or prepayments of principal previously made on the old Loan Certificate with respect to which such new Loan Certificate is issued and the date to which interest on such old Loan Certificate has been paid.

2.18 Payment of Expenses on Transfer. Upon the issuance of a new Loan Certificate or Loan Certificates pursuant to Section 2.16 or 2.17, the Owner Trustee or the Indenture Trustee may require from the party requesting such new Loan Certificate or Loan Certificates payment of a sum to reimburse the Owner Trustee and the Indenture Trustee for, or to provide funds for, the payment of any tax or other governmental charge in connection therewith or any charges and expenses connected with such tax or other governmental charge paid or payable by the Owner Trustee or the Indenture Trustee.

2.19 Alternative Loan Certificates. (a) In the event that pursuant to Section 9 of the Participation Agreement (and subject to the conditions therein contained) the Lessee shall instruct the Owner Trustee to prepay the Loan Certificates as provided in Section 2.11 hereof by the issuance of Alternative Loan Certificates and application of the proceeds to the payment of all sums due to the holders of Loan Certificates upon prepayment, and provided that no Lease Default or Indenture Default shall have occurred and be continuing, the Owner Trustee may issue Alternative Loan Certificates in accordance with the further provisions hereof and Section 9 of the Participation Agreement in an aggregate principal amount not exceeding the sum of (i) the aggregate unpaid principal amount of all Loan Certificates theretofore authenticated and delivered hereunder (plus all other amounts required to be paid to the holders of such Loan Certificates upon prepayment as provided in Section 2.11) and (ii) all reasonable costs and expenses relating to the issuance and sale of such Alternative Loan Certificates. The terms and conditions of such Alternative Loan Certificates (to the extent not inconsistent with this Indenture) shall be set forth in an indenture supplemental to or in substitution for this Indenture executed by the Owner Trustee and the Indenture Trustee. The Indenture Trustee shall execute such supplemental indenture and shall authenticate and deliver Alternative Loan Certificates in accordance with the provisions thereof upon receipt by the Indenture Trustee of the following documents:

(A) a copy of such supplemental indenture together with a written request of the Owner Trustee requesting that the Indenture Trustee execute such supplemental indenture;

(B) an Officer's Certificate of the Owner Trustee stating that the Owner Trustee is entitled to issue such Alternative Loan Certificates under this Indenture;

(C) an Officer's Certificate of the Owner Participant and the Owner Trustee stating that no Indenture Default referred to in subsections (c) or (d) of Section 4.01 has occurred and is continuing and specifying the amount of the costs and expenses relating to the issuance and sale of the Alternative Loan Certificates;

(D) an Officer's Certificate of the Lessee stating that no Lease Default has occurred and is continuing;

(E) an Officer's Certificate of the Lessee and an opinion of counsel for the Lessee stating that all conditions precedent to the issuance of such Alternative Loan Certificates under this Indenture and under the Participation Agreement have been complied with; and

(F) such further documents as may be required by the provisions of such supplemental indenture.

(b) Notwithstanding the foregoing provisions of this Section 2.19, no Alternative Loan Certificates shall be executed by the Owner Trustee or authenticated and delivered by the Indenture Trustee until receipt by the Owner Trustee of moneys, for payment to the holders of the Loan Certificates, at least sufficient to pay all principal, interest and other sums due to such holders upon prepayment as provided in Section 2.11.

2.20 Option to Purchase Loan Certificates. Each holder of a Loan Certificate, by accepting such Loan Certificate, agrees that if (a)(i) an Event of Default under this Indenture shall have occurred and be continuing and the Indenture Trustee shall have elected to exercise any of the remedies specified in Section 4, or (ii) the Lessee shall have been in default (in whole or in part) in the payment, when due, of Basic Rent and (b) the Owner Trustee or the Owner Participant, within 10 days after receiving written notice from the Indenture Trustee pursuant to Section 4.02(b) or from any other source of (A) any such Event of Default and the initiation of such remedies, or (B) such failure to pay Basic Rent, shall give written notice to the Indenture Trustee and the holders of all Loan Certificates at the time outstanding of its intention to purchase all such Loan Certificates in accordance with this Section 2.20, then, upon receipt within 5 Domestic Business Days after such notice from the Owner Trustee or the Owner Participant of an amount equal to the sum of (1) the aggregate unpaid principal amount of all Loan Certificates held by such holder, together with accrued but unpaid interest thereon to the date of such receipt, plus (2) the aggregate amount, if any, of all sums which, if Section 3.03 were then applicable, such holder would be entitled to be paid in priority to or on a parity with the payment of principal and interest on the Loan Certificates such holder will forthwith sell, assign, transfer

and convey to the Owner Trustee or the Owner Participant, as the case may be (without recourse or warranty of any kind other than of title to the Loan Certificates so conveyed), all the right, title and interest of such holder in and to the Indenture Estate, this Indenture, all Loan Certificates held by such holder and such holder's rights under the Participation Agreement (except that such holder shall retain such holder's rights under Sections 7, 8 and 11 of the Participation Agreement with respect to any claim for which such holder shall be entitled to reimbursement or indemnification thereunder that arises after such conveyance), and the Owner Trustee or the Owner Participant, as the case may be, shall thereupon assume all of such holder's rights and obligations under such documents; provided, however, that no such holder of a Loan Certificate shall be required to convey the Loan Certificates held by it unless (aa) all other Loan Certificates at the time outstanding shall be simultaneously purchased by the Owner Trustee or the Owner Participant pursuant to this Section 2.20 and (bb) such conveyance shall not be in violation of any Applicable Laws. All charges and expenses required to be paid pursuant to Section 2.18 in connection with the issuance of any new Loan Certificates pursuant to this Section 2.20 shall be borne by the Owner Trustee or the Owner Participant, as the case may be.

2.21 Prepayment Pursuant to Conversion Option Does Not Reduce Debt. It is understood that the Owner Trustee shall execute and the Indenture Trustee shall authenticate and deliver, on the date of the first issuance of Loan Certificates, Loan Certificates in each of three forms set forth in Appendices B-1, B-2 and B-3 and that although the Loan Certificates of each such form shall be in an aggregate principal amount equal to the total principal indebtedness of the Owner Trustee hereunder, the aggregate indebtedness evidenced by such Loan Certificates shall not exceed the aggregate principal indebtedness of the Owner Trustee outstanding from time to time hereunder. It is further understood by the parties hereto that the prepayment of any Loan Certificate outstanding hereunder and the concurrent reborrowing under another Loan Certificate pursuant to Section 2.07, subject to Section 2.08, shall not reduce the outstanding indebtedness of the Owner Trustee to the Loan Participant hereunder.

SECTION 3

RECEIPT, DISTRIBUTION AND APPLICATION OF INCOME FROM THE INDENTURE ESTATE

3.01 Basic and Supplemental Rent Distribution; Application of Other Amounts upon Deficiency in Basic and Supplemental Rent. (a) Basic and Supplemental Rent Distribution. Except as otherwise provided in Sections 3.01(c) and 3.03, each payment of Basic Rent and any payment of Supplemental Rent constituting interest on any overdue installment of Rent received by the Indenture Trustee at any time shall, subject to timely receipt thereof, be distributed by the Indenture Trustee on the Business Day such payment is due (or as soon thereafter as such payment shall be received by the Indenture Trustee) promptly on receipt by the Indenture Trustee, in the following order of priority:

First, so much of such payment as shall be required to pay in full the aggregate amount of the payment or payments of principal and/or interest (as well as any interest on overdue principal and, to the extent permitted by Applicable Law, interest) then due under all Loan Certificates then outstanding shall be distributed to the holders of such Loan Certificates ratably, without priority of one over the other or of one type over another, in the proportion that the amount of such payment or payments then due under each such Loan Certificate bears to the aggregate amount of the payments then due under all such Loan Certificates; and

Second, the balance, if any, of such payment remaining thereafter shall be distributed to the Owner Trustee.

(b) Application of Other Amounts Held by Indenture Trustee upon Rent Default. Subject to Section 3.03, if, as a result of any failure by the Lessee to pay in full any installment of Basic Rent when due (or within any applicable period of grace) or for any other reason, there shall not have been distributed pursuant to Section 3.01(a) on any date (or within any applicable period of grace) the full amount then distributable pursuant to clause "First" thereof, the Indenture Trustee shall, if so requested by a Majority in Interest of Certificate Holders, distribute any other payments of the character referred to in Section 3.05 hereof (other than Excepted Payments and payments due the Indenture Trustee hereunder or under the Participation Agreement) then

held by it or thereafter received by it to the holders of all Loan Certificates to the extent necessary to enable it to make all the distributions then due pursuant to such clause "First".

(c) Retention of Amounts by Indenture Trustee.

Subject to Section 3.03 hereof, if at the time of receipt by the Indenture Trustee of an installment of Basic Rent (whether or not then overdue) or of any Supplemental Rent constituting payment of interest on any overdue installment of Rent, there shall have occurred and be continuing (i) a failure to pay Rent (other than Supplemental Rent consisting only of an Excepted Payment) when it shall become due, (ii) a Lease Default with respect to which notice shall have been given, (iii) a Lease Default as provided in subsections (4), (5) or (8) of Section 14 of the Lease or (iv) an Indenture Default (other than under Section 4.01(b) hereof) and, in the case of Section 4.01(c) hereof, with respect to which notice shall have been given, the Indenture Trustee shall retain such payment of Basic Rent or of interest (to the extent not then required to be distributed pursuant to clause "First" of Section 3.01(a) hereof) in the same manner as set forth in Section 3.05 hereof, and shall not distribute any such payment of Basic Rent or interest until the earlier of (A) such time as there shall not be continuing any condition or circumstances set forth in clause (i), (ii), (iii) or (iv) of this Section 3.01(c), in which case such payment shall be distributed pursuant to clause "Second" of Section 3.01(a) hereof and (B) such time as the Loan Certificates shall have been declared due and payable pursuant to Section 4.02, in which case such payment shall be distributed pursuant to Section 3.03 hereof and (C) the first Business Day occurring more than 180 days after receipt of such payment in which case such payment shall be distributed as provided in clause "First" of Section 3.02(a), and thereafter as provided in clause "First" of Section 3.01(a), and thereafter as provided in clauses "Third" and "Fourth" of Section 3.02(a).

(d) Application of Payments. The portion of each payment referred to in this Section 3.01 which is distributed to a holder of a Loan Certificate on account of principal or interest on such Loan Certificate shall be applied by such holder in payment of such Loan Certificate in accordance with the terms of Section 2.10(b) hereof.

3.02 Payment for Events of Loss or Following Lease Termination. (a) Payment Under Sections 8 and 17.3 of the Lease. Except as otherwise provided in Section 3.03 hereof, any amounts (other than Excepted Payments) received by the Indenture Trustee from Lessee or any Governmental Authority, insurer or other Person as a result of (i) the sale of the Rail Cars as obsolete or uneconomic pursuant to Section 8.8 of the Lease or any payment of Termination Value pursuant to such Section 8.8, (ii) the purchase of the Rail Cars pursuant to Section 17.3 of the Lease or (iii) any payment of Stipulated Loss Value pursuant to Section 8 of the Lease or other payment received by the Indenture Trustee as a result of the occurrence of an Event of Loss with respect to the Rail Cars shall in each case be distributed forthwith upon receipt by the Indenture Trustee in the following order of priority:

First, so much of such payment as shall be required to reimburse the Indenture Trustee and each existing or prior holder of a Loan Certificate (A) for any expenses (including reasonable fees and disbursements of counsel) not reimbursed by the Lessee which were incurred in connection with the collection or distribution of such payment, (B) for any unpaid fees for the Indenture Trustee's services under this Indenture and any tax, expense or cost (including reasonable fees and disbursements of counsel) incurred by the Indenture Trustee (to the extent incurred in connection with its duties as Indenture Trustee and to the extent reimbursable and not previously reimbursed) shall be distributed to the Indenture Trustee for distribution to itself and such holders;

Second, so much of such payment as shall be required to pay in full the principal amount of the indebtedness evidenced by the Loan Certificates plus accrued but unpaid interest (including interest on overdue principal and, to the extent permitted by Applicable Law, interest) thereon (or if not sufficient to pay principal and interest in full, then to accrued, but unpaid interest, first, and then to unpaid principal, second) shall be distributed to the holders of the Loan Certificates ratably, without priority of one over the other, in the proportion that the aggregate principal and accrued but unpaid interest payable to each such holder of Loan Certificates bears to the aggregate

principal and accrued but unpaid interest payable to all holders of Loan Certificates;

Third, in the manner provided in clause "Second" of Section 3.03 hereof to the extent not previously paid; and

Fourth, the balance, if any, of such payment remaining thereafter shall be distributed to the Owner Trustee.

(b) Certain Payments Under Section 8 of the Lease. Except as otherwise provided in Section 3.03 hereof, any payment (other than Excepted Payments) received directly or through the Lessee from any Governmental Authority, insurer or other Person pursuant to Section 8 of the Lease with respect to any condemnation, confiscation or seizure of, or requisition of title to or use of, or theft of, or loss of use of, or damage to, any part of the Rail Cars constituting an Event of Loss, to the extent that such payment is not at the time required to be paid to the Lessee pursuant to said Section 8, shall, except as otherwise provided below in this Section 3.02(b), be distributed forthwith upon receipt by the Indenture Trustee in the order of priority set forth in Section 3.02(a). Any portion of any payment referred to in the preceding sentence that is required not to be paid to the Lessee solely because a Lease Default shall have occurred, shall be held by the Indenture Trustee as security for the obligations of the Lessee under the Lease and the Participation Agreement and at such time as there shall not be continuing any such Lease Default, such portion shall be paid to the Lessee, unless the Indenture Trustee (as assignee from the Owner Trustee of the Lease) shall have theretofore declared the Lease to be in default pursuant to Section 18 thereof, in which event such portion shall be distributed forthwith upon such declaration in accordance with the provisions of Section 3.03 hereof.

(c) Application of Payments. The portion of each payment referred to in Section 3.02(a) or 3.02(b) hereof which is distributed to a holder of Loan Certificate on account of principal or interest on such Loan Certificate shall be applied by such holder in payment of such Loan Certificate in accordance with the terms of Section 2.10(b) hereof.

3.03 Payments After Indenture Event of Default. All payments received and all amounts held or realized by the Indenture Trustee after an Event of Default hereunder

shall have occurred and be continuing (including any amounts realized by the Indenture Trustee from the exercise of any remedies pursuant to Section 14 of the Lease) (other than Excepted Payments), and after the Indenture Trustee (as assignee from the Owner Trustee of the Lease) shall have declared the Lease to be in default pursuant to Section 14 thereof or after the outstanding principal amount of the Loan Certificates shall have been declared to be due and payable pursuant to Section 4.02 hereof, and all payments or amounts then held or thereafter received by the Indenture Trustee hereunder or under the Participation Agreement (other than Excepted Payments), shall, so long as such declaration shall not have been rescinded, be distributed forthwith by the Trustee in the following order of priority:

First, so much of such payments or amounts as shall be required to reimburse the Indenture Trustee (A) for any expenses (including reasonable fees and disbursements of counsel) not previously reimbursed by the Lessee which were incurred in connection with the collection or distribution of such payment and (B) for any unpaid fees for its services under this Indenture and any tax, expense or cost (including reasonable fees and disbursements of counsel) incurred by it (to the extent incurred in connection with its duties as Indenture Trustee and to the extent reimbursable and not previously reimbursed) -- shall be distributed to the Indenture Trustee for application to itself;

Second, so much of such payments or amounts remaining as shall be required to pay each existing or prior holder of a Loan Certificate the amounts payable to such Person pursuant to the provisions of Section 7, 8 or 11 of the Participation Agreement, or pursuant to any indemnification provisions of any of the Basic Agreements, or as may be necessary to reimburse such Person for any expenses (including reasonable fees and disbursements of counsel) incurred and not previously reimbursed by the Lessee in connection with the collection or distribution of such payment--shall be distributed to the Persons entitled thereto ratably, without priority of one such Person over the other, in the proportion that the amount of such indemnity or other payments to which each such Person is entitled bears to the aggregate amount of all such indemnities or other payments;

Third, so much of such payments or amounts remaining as shall be required to pay in full the aggregate unpaid principal amount of all Loan Certificates then outstanding, and accrued but unpaid interest thereon to the date of distribution (including interest on overdue principal and, to the extent permitted by Applicable Law, overdue interest) -- shall be distributed to the holders of such Loan Certificates ratably, without priority of one over the other or of one type over another, in the proportion that the aggregate unpaid principal amount of all such Loan Certificates held by each such holder and accrued but unpaid interest thereon bears to the aggregate unpaid principal amount of all Loan Certificates held by all such holders and accrued but unpaid interest thereon; and

Fourth, the balance, if any, of such payments or amounts remaining thereafter shall be distributed to the Owner Trustee.

3.04 Investment of Certain Payments Held by the Indenture Trustee. Any amounts held by the Indenture Trustee hereunder shall be invested by the Indenture Trustee from time to time as directed in writing by the Owner Trustee, and at the expense and risk of the Owner Trustee, in outright ownership (not subject to repurchase agreements) of (A) obligations of, or guaranteed as to interest and principal by, the United States Government maturing not more than 90 days after such investment, (B) open market commercial paper of any corporation incorporated under the laws of the United States of America or any state thereof and not an Affiliate of the Lessee or the Owner Participant rated "prime-1" or its equivalent by Moody's Investors Service Inc. or "A-1" or its equivalent by Standard & Poor's Corporation or (C) certificates of deposit maturing within 90 days after such investment issued by creditworthy commercial banks organized under the laws of the United States of America or of any political subdivision thereof having a combined capital and surplus in excess of \$250,000,000; provided, however, that the aggregate amount at any one time so invested (a) in open market commercial paper of any corporation shall not exceed \$2,000,000 and (b) in certificates of deposit issued by any one bank shall not exceed \$10,000,000. Any income or gain realized as a result of any such investment shall be applied to make up any losses resulting from any such investment to the extent such losses shall not have been recovered from the Owner Trustee, pursuant to this Section 3.04. Any other income or gain so realized shall be promptly distributed to

the Owner Trustee. Upon incurring any losses from any such investment, which losses are not made up from income or gain as aforesaid, the Indenture Trustee shall promptly notify the Owner Trustee thereof and, upon receipt of such notice, the Owner Trustee shall promptly pay to the Indenture Trustee the amount of such loss, which amount shall be credited to the appropriate account. The Indenture Trustee shall have no liability for any loss resulting from any such investment other than by reason of the willful misconduct or gross negligence of the Indenture Trustee. Any such investment may be sold (without regard to maturity date) by the Indenture Trustee whenever necessary to make any distribution required by this Section 3.

3.05 Distributions Under Lease or Participation Agreement. Except as otherwise provided in Section 3.03 and 3.07 hereof, any payment received by the Indenture Trustee for the application of which provision is made in the Lease, in the Participation Agreement or in any other Basic Agreement but not elsewhere in this Indenture shall, unless an Indenture Default of the type described in clause (i), (ii), (iii) or (iv) of Section 3.01(c) hereof shall have occurred and be continuing, be applied forthwith to the purpose for which such payment was made in accordance with the terms of the Lease, the Participation Agreement or the other Basic Agreement, as the case may be. If at the time of the receipt by the Indenture Trustee of any payment referred to in the preceding sentence there shall have occurred and be continuing such an Indenture Default, the Indenture Trustee shall hold such payment (other than an Excepted Payment) as part of the Indenture Estate; provided, that unless otherwise applied in accordance with the provisions of Section 3.01 or 3.03 hereof, the Indenture Trustee shall cease so to hold such payment and shall apply such payment to the purpose for which it was made in accordance with the terms of the Lease, the Participation Agreement or the other Basic Agreements, as the case may be, if and whenever there shall no longer be continuing such an Indenture Default as had occurred and was continuing at the time of the receipt by the Indenture Trustee of such payment on the first Business Day occurring more than 180 days after receipt of such payment, whichever shall first occur.

3.06 Other Payments. Except as otherwise provided in Sections 3.03 and 3.05:

(a) any payments received by the Indenture Trustee for the application of which no provision is made in the Participation Agreement, the Lease,

any other Basic Agreement or elsewhere in this Section 3 shall be held by the Indenture Trustee as part of the Indenture Estate and, on the first Principal Repayment Date occurring more than 180 days after such payment was received shall be applied as provided in clause "First" of Section 3.02(a), and thereafter as provided in clause "First" of Section 3.01(a), and thereafter as provided in clauses "Third" and "Fourth" of Section 3.02(a); and

(b) all payments received and amounts realized by the Indenture Trustee under the Lease or otherwise with respect to the Rail Cars (including, without limitation, all amounts realized upon the sale or release of the Rail Cars after the termination of the Lease) to the extent received or realized at any time after payment in full of the principal of and interest on all Loan Certificates, as well as any other amounts remaining as part of the Indenture Estate after payment in full of the principal of and interest on all Loan Certificates and all other amounts due the holders of Loan Certificates hereunder, under the Participation Agreement or under the other Basic Agreements shall be distributed forthwith by the Indenture Trustee in the order of priority set forth in Section 3.03 hereof, omitting clause "Third" thereof.

3.07 Excepted Payments. Notwithstanding any other provision of this Section 3, all Excepted Payments, if received by the Indenture Trustee at any time, shall be promptly paid by the Indenture Trustee to the Owner Trustee.

3.08 Distributions to the Owner Trustee. Unless otherwise directed in writing by the Owner Trustee, all amounts from time to time distributable by the Indenture Trustee to the Owner Trustee, except such sums as are payable to the Owner Trustee in its individual capacity, in accordance with the provisions hereof shall be paid by the Indenture Trustee to the Owner Participant in funds of the type received by the Indenture Trustee as promptly as possible following receipt.

3.09 Interest Reports. Within seven Business Days after the end of each calendar year, commencing with the calendar year 1985, and after the date that all outstanding Loan Certificates shall have been paid in full, the Indenture Trustee shall furnish the Lessee, the Owner Participant and

the Owner Trustee with a report stating the total amount of interest that was paid on the Loan Certificates during the calendar year immediately preceding the receipt of such report (excluding the final such report) and during the period from the end of the prior calendar year to the date on which all outstanding Loan Certificates are paid in full in the case of the final such report.

SECTION 4

DEFAULTS; REMEDIES OF THE INDENTURE TRUSTEE

4.01 Occurrence of Indenture Event of Default.

Each of the following events shall constitute an "Event of Default" hereunder (whether any such event shall be voluntary or come about or be effected by operation of law or pursuant to or in compliance with any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a)(i) any payment of principal or interest on any Loan Certificate (including payments constituting Stipulated Loss Value or Termination Value) shall not be paid within five Business Days after the same shall have become due, (ii) any payment due to a Loan Participant which constitutes Supplemental Rent under the Lease (other than payments of Stipulated Loss Value or Termination Value) shall not be paid within 20 days after the same shall become due, or (iii) any other payment due to a Loan Participant hereunder, under the Participation Agreement or any other of the Basic Agreements shall not be made within 5 days after any written notice from the Indenture Trustee or any holder of a Loan Certificate to the Owner Trustee (with a copy to the Owner Participant, the Lessee and, if given by a Loan Participant, the Indenture Trustee) that the same has not been paid when due;

(b) any Event of Default shall occur and be continuing under the Lease; provided, however, that no Event of Default shall exist hereunder by reason of an Event of Default under the Lease if such Event of Default under the Lease arose as a result of the failure of the Lessee to make any Excepted Payment or to render any performance to the Owner

Trustee or the Owner Participant with respect to any Excepted Payments (including any breach by the Lessee under the Tax Indemnification Agreement), unless and until the Owner Trustee shall instruct the Lessee and the Indenture Trustee in writing that an Event of Default exists hereunder;

(c) the Owner Trustee shall fail to perform or observe any of its other covenants in this Indenture or any of its covenants in the Participation Agreement or any other of the Basic Agreements and such failure shall continue unremedied for a period of 30 days after written notice thereof by the Indenture Trustee or any holder of a Loan Certificate to the Owner Trustee, with a copy to the Lessee, the Owner Participant and, if notice is given by a Loan Participant, the Indenture Trustee;

(d) any representation or warranty made by the Owner Participant in any of the Basic Agreements to which it is a party, or in any statement, report, schedule, notice or other writing furnished by the Owner Participant to the Indenture Trustee or any holder of a Loan Certificate in connection therewith, shall prove to have been incorrect in any material respect at the time made and the Owner Participant shall not or cannot cause such representation or warranty to become correct within 30 days after the date notice thereof is provided to the Owner Participant by the Indenture Trustee or any holder of a Loan Certificate (with a copy to the Owner Trustee, the Lessee and, if notice is given by a Loan Participant, the Indenture Trustee).

4.02 Action Upon Indenture Event of Default. (a) Declaration of Acceleration. Subject to the expiration of the rights of the Owner Trustee and the Owner Participant under Section 4.03, at any time after an Event of Default under this Indenture shall have occurred and be continuing, the holder or holders of at least 25% in outstanding principal amount of unpaid Loan Certificates may declare the principal of all the Loan Certificates to be due and payable immediately by giving written notice to the Owner Participant, the Indenture Trustee and each holder (not constituting such 25% or more) of a Loan Certificate, whereupon the unpaid principal amount of all Loan Certificates then outstanding and accrued but unpaid interest thereon shall

immediately become due and payable without further notice of any kind. In the event the Indenture Trustee shall at any time declare the Lease in default pursuant to Section 14 thereof, the unpaid principal amount of the Loan Certificates, together with accrued interest thereon, shall immediately become due and payable without further act or notice of any kind.

(b) Exercise of Other Remedies. The Indenture Trustee, as assignee, lienor and secured party hereunder or otherwise, acting pursuant to Section 5 of this Indenture, may (i) exercise all remedies available to it as assignee, lienor and secured party hereunder with respect to all properties subject to the Lien of this Indenture under Sections 4.04 through 4.12 or available to a secured party under the Uniform Commercial Code as adopted in the State of New York or other applicable jurisdiction or otherwise available under Applicable Law and (ii) in addition, if an Event of Default under the Lease shall have occurred and be continuing, declare the Lease in default pursuant to such Section 18 thereof, exercise any or all of the remedies pursuant to such Section 14 of the Lease and may take possession of all or any part of the Indenture Estate and exclude the Owner Trustee (and, if the Lease has been declared in default, the Lessee and all Persons claiming through it) wholly or partly therefrom. Except in the case of an Indenture Default not constituting a Lease Default, the Indenture Trustee shall give the Owner Trustee not less than 5 Domestic Business Days' prior written notice of the date on which the Indenture Trustee will first exercise any remedy hereunder or pursuant to the Lease.

(c) Rescission of Acceleration. If at any time after the outstanding principal amount of the Loan Certificates shall have become due and payable by acceleration pursuant to this Section 4.02, and no judgment or decree for any amount so becoming due and payable shall have been entered, then if (i) all amounts of principal and interest which shall have become due and payable in respect to all the Loan Certificates otherwise than pursuant to this Section 4.02, together with interest on all such overdue principal and, to the extent permitted by Applicable Laws, interest at the applicable rate specified in or pursuant to Section 2 of this Indenture and an amount sufficient to cover all costs and expenses of collection incurred by or on behalf of each holder of the Loan Certificates (including, without limitation, reasonable counsel fees and expenses and all expenses and reasonable compensation of the Indenture Trustee), and (ii) every other Event of Default under this Inden-

ture shall have been remedied or waived, then a Majority in Interest of Certificate Holders may, by written notice or notices to the Owner Participant, the Owner Trustee, the Indenture Trustee and the Lessee, rescind and annul such acceleration and any related declaration of default under the Lease, and their respective consequences, but no such rescission and annulment shall extend to, affect or waive any subsequent Indenture Default or Lease Default or impair any right consequent thereon.

4.03 Right to Cure Rent Defaults. (a) Basic Rent. If the Lessee shall not make any payment of Basic Rent when the same shall have become due or within five days thereafter, and (i) if such failure shall occur prior to the last Quarterly Payment Date in 1989 and shall not constitute the fifth or subsequent cumulative such failure to pay, or (ii) if such failure shall occur prior to the last Quarterly Payment Date in 1989 and shall constitute the fifth but not more than the ninth cumulative such failure to pay and if the Owner Trustee or the Owner Participant shall have demonstrated to the reasonable satisfaction of a Majority in Interest of Certificate Holders that it is diligently and in good faith seeking a sale of the Rail Cars and has reasonable prospects for such a sale, or (iii) if such failure shall occur on or after the last Quarterly Payment Date in 1989 and shall not constitute the fourth or subsequent cumulative such failure to pay during the period commencing with such last Quarterly Payment Date in 1989 (or the sixth or subsequent cumulative such failure to pay during such period if not more than two Basic Rent cure payments were made under the circumstances provided in the foregoing clause (ii)), or (iv) if such failure shall occur during the period referenced in the foregoing clause (iii) and shall not constitute the fifth or seventh (as the case may be under the parenthetical language of clause (iii)) or subsequent cumulative such failure to pay during the said period if the Owner Trustee or the Owner Participant shall have demonstrated to the reasonable satisfaction of a Majority in Interest of Certificate Holders that it is diligently and in good faith negotiating a sale of the Rail Cars and that such a sale is reasonably imminent, then -- the Owner Trustee or the Owner Participant may (but need not) pay to the Indenture Trustee, at any time prior to the expiration of 5 days after the expiration of the five day period of grace contained in clause (1) of Section 14 of the Lease, an amount equal to the full amount of such payment of Basic Rent together with interest thereon (including interest at the Past Due Rate on overdue interest to the extent permitted by Applicable Law) on account of the delayed payment thereof, and such payment by the Owner Trustee or the

Owner Participant shall be deemed to cure the Event of Default under the Indenture that arose or would have arisen from such failure. Upon any payment of Basic Rent by the Owner Trustee or the Owner Participant in accordance with this Section 4.03, the Owner Trustee or the Owner Participant, as the case may be, shall be subrogated to the rights to the Indenture Trustee, as assignee, lienor and secured party hereunder, to receive such payment of Basic Rent (and any payment of interest on account of its being overdue) and shall be entitled, subject to Sections 3.01 and 3.03 hereof, to receive such payment upon its receipt by the Indenture Trustee; provided, however, that neither the Owner Trustee nor the Owner Participant shall obtain any lien on the Rail Cars or any part thereof or any other part of the Indenture Estate on account of any such amount paid by it on behalf of the Lessee pursuant to this Section 4.03 and shall not attempt to recover any such amount except by demanding of the Lessee payment of such amount or by commencing an action against the Lessee to require the payment of such amount; and provided, further, that no claim or judgment of the Owner Trustee or the Owner Participant against the Lessee or any other parties for the repayment of such amounts shall impair the prior right and security interest of the Indenture Trustee in and to the Indenture Estate.

(b) Supplemental Rent. If the Lessee shall not make any payment of Supplemental Rent when the same shall become due or within 20 days thereafter, the Owner Trustee or the Owner Participant may (but need not) pay to the Indenture Trustee, at any time prior to the expiration of 20 days after the expiration of the 20 day period of grace contained in clause (2) of Section 14 of the Lease, an amount equal to such payment of Supplemental Rent, together with any interest due thereon on account of the delayed payment thereof, and such payment by the Owner Trustee or the Owner Participant shall be deemed to have cured any Event of Default under this Indenture that arose or would have arisen from such failure; provided, that no previous payment by the Owner Trustee or the Owner Participant under this Section 4.03(b) shall at the time be outstanding and unreimbursed by the Lessee from its own funds for a period of more than eighteen months. Upon the making of any payment by the Owner Trustee or the Owner Participant under this Section 4.03(b), the Owner Trustee or the Owner Participant, as the case may be, shall be entitled, subject to Sections 3.01 and 3.03 hereof, to receive all payments made by the Lessee on account of any such payments made by the Owner Trustee or the Owner Participant pursuant to this Section 4.03(b); and provided, however, that the right of the Owner Trustee or the Owner Participant to

recover any such payments shall be limited in the manner provided in Section 4.03(a).

4.04 Remedies. The Owner Trustee agrees to the full extent that it lawfully may do so, that if one or more Events of Default under the Indenture shall have occurred and be continuing and if the maturity of the unpaid principal amount of the Loan Certificates shall have been accelerated pursuant to Section 4.02, then, and in every such event (but subject to the rights of the Lessee under Section 4.13), the Indenture Trustee, as assignee, lienor and secured party hereunder, or otherwise, may exercise any or all of the rights and powers and pursue any and all of the remedies available to it hereunder or (if an Event of Default under the Lease shall have occurred and be continuing and if the Lease shall have been declared in default) under the Lease or available to a secured party under the Uniform Commercial Code as adopted in the State of North Carolina or other applicable jurisdiction or as otherwise provided under Applicable Laws.

4.05 Return of Indenture Estate, etc. (a) In exercising its remedies hereunder pursuant to Section 4.04, the Indenture Trustee may request the Owner Trustee to, and upon such request the Owner Trustee shall, promptly execute and deliver to the Indenture Trustee such instruments of title and other documents as the Indenture Trustee may deem necessary or advisable to enable the Indenture Trustee or any agent or representative designated by the Indenture Trustee, at such time or times and place or places as the Indenture Trustee may specify, to obtain possession of all or any part of the Indenture Estate to the possession of which the Indenture Trustee shall at the time be entitled hereunder. If the Owner Trustee shall for any reason fail to execute and deliver any such instruments or documents after such demand by the Indenture Trustee, the Indenture Trustee may (i) obtain a judgment conferring on the Indenture Trustee the right to immediate possession and requiring the Owner Trustee to deliver such instruments and documents to the Indenture Trustee, to the entry to which judgment the Owner Trustee hereby specifically consents, and (ii) pursue all or any part of the Indenture Estate wherever it may be found and enter any of the premises of the Owner Trustee or the Lessee wherever the Indenture Estate may be or be supposed to be and search for the Indenture Estate and take possession of and remove the Indenture Estate.

(b) Upon every such taking of possession, the Indenture Trustee may, from time to time, at the expense of

the Indenture Estate, make all such expenditures for maintenance, insurance, repairs, replacements, alterations, additions and improvements to and of the Indenture Estate as it may deem proper. In each such case, the Indenture Trustee shall have the right to use, operate, store, control and manage the Indenture Estate and to carry on the business and to exercise all rights and powers of the Owner Trustee relating to the Indenture Estate, as the Indenture Trustee shall deem best, including the right to enter into any and all such agreements with respect to the maintenance, operation, leasing, storage or disposition of the Indenture Estate or any part thereof as the Indenture Trustee may determine; and the Indenture Trustee shall be entitled to collect and receive all rents, revenues, issues, income, products and profits of the Indenture Estate, except Excepted Payments, and every part thereof, without prejudice, however, to the right of the Indenture Trustee under any provision of this Indenture to collect and receive all cash held by, or required to be deposited with, the Indenture Trustee hereunder. Such rents, revenues, issues, income, products and profits (other than Excepted Payments) shall be applied to pay the expenses of holding and operating the Indenture Estate and of conducting the business thereof, and of all maintenance, repairs, replacements, alterations, additions and improvements, and to make all payments which the Indenture Trustee may be required or may elect to make, if any, for taxes, assessments, insurance or other proper charges upon the Indenture Estate or any part thereof (including the employment of engineers and accountants to examine, inspect and make reports upon the Indenture Estate and the books and records of the Owner Trustee relating thereto), and all other payments that the Indenture Trustee may be required or authorized to make under any provision of this Indenture, as well as just and reasonable compensation for the services of the Indenture Trustee, and of all Persons properly engaged and employed by the Indenture Trustee.

(c) The Owner Trustee hereby ratifies and confirms any and all acts that the Indenture Trustee, or such Indenture Trustee's successor or successors in this trust, shall do lawfully by virtue hereof. The Owner Trustee hereby agrees that the recitals contained in any deed, bill of sale, assignment or other instrument executed in due form by the Indenture Trustee or substitute trustee, acting under the provisions of this instrument, shall be prima facie evidence of the facts recited, and that it shall not be necessary to prove in any court, otherwise than by such recitals, the existence of the facts essential to authorize the execution and delivery of such deed, bill of sale, assignment or other

instrument and the passing of title thereby, and all prerequisites and requirements of any sale or sales shall be conclusively presumed to have been performed, and all Persons subsequently dealing with the Indenture Estate purported to be conveyed by such deed, bill of sale, assignment or other instrument, including, without limitation, the purchaser or purchasers thereof, shall be fully protected in relying upon the truthfulness of such recitals.

(d) The Indenture Trustee may also at any time, at its election, or pursuant to instruments, proceed at law or in equity or otherwise to foreclose the Lien of this Indenture against all or any part of the Indenture Estate to which the Indenture Trustee has been granted a power of sale, and to have the same sold under the judgment or decree of a court of competent jurisdiction or as otherwise may be required or permitted by Applicable Laws.

4.06 Indenture Trustee Authorized to Execute Bills of Sale, etc. The Owner Trustee irrevocably appoints (which appointment is coupled with an interest) the Indenture Trustee the true and lawful attorney-in-fact of the Owner Trustee in its name and stead and on its behalf, for the purpose of effectuating any sale, assignment, transfer or delivery for the enforcement of the Lien of this Indenture under Section 4.05(c) hereof, whether pursuant to foreclosure or power of sale or otherwise, to execute and deliver all such deeds, bills of sale, assignments and other instruments as the Indenture Trustee may consider necessary or appropriate, with full power of substitution, the Owner Trustee hereby ratifying and confirming all that such attorney or any substitute shall lawfully do by virtue hereof. Nevertheless, if so requested by the Indenture Trustee or any purchaser, the Owner Trustee shall ratify and confirm any such sale, assignment, transfer or delivery, by executing and delivering to the Indenture Trustee or such purchaser all deeds, bills of sale, assignments, releases and other proper instruments to effect such ratification and confirmation as may be designated in any such request.

4.07 Purchase of Indenture Estate by Indenture Trustee or Holder of Loan Certificates. To the extent permitted by Applicable Laws, the Indenture Trustee or any holder of a Loan Certificate may be a purchaser of the Indenture Estate or any part thereof or any interest therein at any sale thereof, whether pursuant to foreclosure, power of sale or otherwise. The Indenture Trustee may apply against the purchase price therefor the amount then due under any of the Loan Certificates secured hereby, and any holder

of a Loan Certificate may apply against the purchase price therefor the amount then due under any Loan Certificates which shall, upon distribution of the net proceeds of such sale, be payable thereon. The Indenture Trustee or any holder of a Loan Certificate or any nominee thereof shall, upon any such purchase, acquire good title to the property so purchased, free of the lien of this Indenture and, to the extent permitted by Applicable Laws, free of all rights of redemption in the Owner Trustee.

4.08 Receipt a Sufficient Discharge. Upon any sale of the Indenture Estate or any part thereof or interest therein, whether pursuant to foreclosure or power of sale or otherwise, the receipt of the officer making the sale under judicial proceedings or of the Indenture Trustee shall be sufficient discharge to the purchaser for the purchase money, and such purchaser shall not be obliged to see to the application thereof.

4.09 Appointment of Receiver. If the outstanding principal amount of the Loan Certificates shall have become due and payable pursuant to Section 4.02(a), the Indenture Trustee shall, as a matter of right, be entitled to the appointment of a receiver (who may be the Indenture Trustee or any successor or nominee thereof) for all or any part of the Indenture Estate, whether such receivership be incidental to a proposed sale of the Indenture Estate or the taking of possession thereof, or otherwise, and the Owner Trustee, to the extent it may lawfully do so, hereby consents to the appointment of such a receiver and will not oppose any such appointment. Any receiver appointed for all or any part of the Indenture Estate shall be entitled to exercise all the rights and powers which the Indenture Trustee could exercise with respect to the Indenture Estate.

4.10 Waiver of Various Rights by the Owner Trustee. The Owner Trustee hereby waives and agrees, to the extent permitted by Applicable Laws, that it shall never seek or derive any benefit or advantage from any of the following, whether now existing or hereafter in effect, in connection with any proceeding under or in respect of this Indenture:

(a) any stay, extension, moratorium or other similar law;

(b) any law providing for the valuation of or appraisal of any portion of the Indenture Estate in connection with a sale thereof; or

(c) any right to have any portion of the collateral or other security for the Loan Certificates marshalled.

The Owner Trustee covenants not to hinder, delay or impede the exercise of any right or remedy under or in respect of this Indenture, and agrees, to the extent permitted by Applicable Laws, to suffer and permit its exercise as though no laws or rights of the character listed above were in effect.

4.11 Remedies Cumulative. Each and every right, power and remedy herein specifically given to the Indenture Trustee or the holders of the Loan Certificates in this Indenture or under the other Basic Agreements shall be cumulative and shall be in addition to every other right, power and remedy herein specifically given or now or hereafter existing at law, in equity or by statute, and each and every right, power and remedy whether specifically herein given or otherwise existing may be deemed expedient by the Indenture Trustee or the holders of the Loan Certificates and the exercise or the beginning of the exercise of any power or remedy shall not be construed to be a waiver of the right to exercise at the same time or thereafter any other right, power or remedy. No delay or omission by the Indenture Trustee or the holders of the Loan Certificates in the exercise of any right, power or in the pursuance of any remedy shall impair any such right, power or remedy or be construed to be a waiver of any default on the part of the Owner Trustee or the Lessee or to be an acquiescence therein.

4.12 Discontinuance of Proceedings. In case the Indenture Trustee or the holders of the Loan Certificates shall have proceeded to enforce any right, power or remedy under this Indenture by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Indenture Trustee or the holders of the Loan Certificates, then and in every such case the Owner Trustee, the Owner Participant, the Indenture Trustee and the Lessee shall be restored to their former positions and rights hereunder with respect to the Indenture Estate, and all rights, remedies and powers of the Indenture Trustee or the holders of the Loan Certificates shall continue as if no such proceedings have been taken.

4.13 No Action Contrary to Lessee's Rights Under Lease. Notwithstanding any of the provisions of this Indenture to the contrary, the Owner Trustee, the Owner Par-

ticipant, the Indenture Trustee or the holders of the Loan Certificates shall not, so long as no Event of Default under the Lease shall have occurred and be continuing, take any action that would interfere with the Lessee's rights under the Lease, including the right to possession and use of the Rail Cars, except in accordance with the provisions of the Lease.

SECTION 5

DUTIES OF INDENTURE TRUSTEE; CERTAIN RIGHTS OF OWNER PARTICIPANT

5.01 Action Upon Indenture Default or Indenture Event of Default. (a) Notice. In the event the Indenture Trustee shall have actual knowledge of an Indenture Default or an Event of Default under the Indenture, including, without limitation, a failure to pay Rent on the date it becomes due, the Indenture Trustee shall give prompt telegraphic or telephonic notice (but in no event later than five days after such failure) thereof to the Owner Trustee, the Owner Participant, the Lessee and each holder of record of a Loan Certificate (such notice, if given orally, to be confirmed by written notice sent in the manner provided in Section 10.04 hereof).

(b) Conditions for Action. Subject to the terms of Sections 4.02 and 5.04 hereof, the Indenture Trustee shall take such action, or refrain from taking such action, with respect to any Indenture Default or Event of Default under the Indenture as the Indenture Trustee shall be instructed in writing by a Majority in Interest of Certificate Holders. If the Indenture Trustee shall not have received instructions as above provided within 10 days after notice of any Event of Default under the Indenture shall have been sent in the manner provided in Section 10.04 to the holders of the Loan Certificates, the Indenture Trustee shall, subject to such instructions as may have been or are thereafter received pursuant to the preceding sentence, take such action, or refrain from taking such action, but shall be under no duty to, and shall have no liability for its failure or refusal to take or refrain from taking any action with respect to such Event of Default under the Indenture, consistent with the provisions of this Indenture as it shall deem advisable and in the best interest of the holders of the Loan Certificates and shall use the same degree of care and skill in connection therewith as a prudent person would use under the circumstances in the conduct of its own affairs.

(c) Actual Knowledge of Indenture Trustee. For all purposes of this Indenture, in the absence of actual knowledge on the part of an officer in the Corporate Trust Division of the Indenture Trustee, the Indenture Trustee shall not be deemed to have knowledge of an Indenture Default or Event of Default under this Indenture (except in the case of the failure of the Lessee to pay any installment of Basic Rent when due) unless notified in writing by a holder of a Loan Certificate, the Lessee, the Owner Trustee or the Owner Participant.

5.02 Action Upon Instructions Generally. (a) General Action. Subject to the terms of Sections 5.01, 5.04 and 5.07, upon the written instructions at any time and from time to time of a Majority in Interest of Certificate Holders, the Indenture Trustee shall (i) give such notice or direction or exercise such right, remedy or power to take such action under the Lease, the Participation Agreement or the other Basic Agreements as shall be specified in such instructions and (ii) approve as satisfactory to it all matters required by the terms of the Lease or the other Basic Agreements to be satisfactory to the Owner Trustee or the Indenture Trustee, it being understood that without such written instructions the Indenture Trustee shall not approve any such matter as satisfactory to it.

(b) Indenture Estate. Subject to the terms of Sections 5.01, 5.02, 5.04 and 5.07, upon the written instructions at any time and from time to time of a Majority in Interest of Certificate Holders, the Indenture Trustee shall exercise such right, remedy or power or take such action hereunder to preserve or protect the Indenture Estate (including the discharge of Liens) as shall be specified in such instructions.

(c) Financing Statements. The Indenture Trustee, upon the written instructions at any time and from time to time of a Majority in Interest of Certificate Holders, shall execute any financing statement (and any continuation statement with respect to any such financing statement) or any other similar document relating to the security interest and assignments created by this Indenture, as may be specified in such instructions (which instructions shall be accompanied by an execution form of such financing statement, continuation statement, or other document, as the case may be).

5.03 Action Upon Payment of Loan Certificates or Transfer of Rail Cars. (a) Release of Indenture Estate.

Upon satisfaction of the conditions for termination of this Indenture set forth in Section 10.01, the Indenture Trustee, upon the written request of the Owner Trustee, shall, on the Business Day such conditions first are satisfied execute and deliver to, or as directed in writing by, the Owner Trustee all appropriate instruments (in due form for recording or filing) reasonably requested by the Owner Trustee releasing the Indenture Estate.

(b) Transfer of Rail Cars to Lessor or Lessee.

Upon retention or any transfer by the Owner Trustee of the Rail Cars pursuant to Sections 8.1, 8.8, 15.1 or 18 of the Lease, or upon the expiration of the Term or the effective date of a renewal of the Lease Term under Section 17 of the Lease, the Indenture Trustee shall, upon receipt of an amount in cash sufficient for (i) the payment of all outstanding fees and expenses of the Indenture Trustee and (ii) the payment in full of the principal of and interest on all Loan Certificates then outstanding and all other amounts then due to all existing or prior holders of such Loan Certificates hereunder or under the Participation Agreement, the Lease or the other Basic Agreements, execute and deliver to, or as directed in writing by, the Owner Trustee an instrument of release complying with the preceding paragraph (a).

(c) Release of Rail Cars Upon Transfer After Default. If so directed by a Majority in Interest of Certificate Holders, upon the transfer of the Rail Cars pursuant to Section 14.1 of the Lease, the Indenture Trustee shall execute and deliver as directed in writing by such holders an appropriate instrument (in due form for recording or filing) reasonably requested by the Owner Trustee releasing the Rail Cars from the security interests and assignments under this Indenture.

5.04 Indemnification, etc. The Indenture Trustee shall not be required to take any action or refrain from taking any action under Section 4, 5.01 (other than 5.01(a)), 5.02 or 5.03 that shall require the Indenture Trustee to expend or risk its own funds or otherwise incur any financial liability unless it shall have been indemnified in a manner satisfactory to it or unless, in the reasonable judgment of the Indenture Trustee, the indemnities of the Lessee shall be adequate for the Indenture purpose. The Indenture Trustee shall not be required to take any action under Section 4, 5.01, 5.02 or 5.03, and no other provision of this Indenture shall be deemed to impose a duty on the Indenture Trustee to

take any action, if the Indenture Trustee shall have been advised by counsel (who shall not be an employee of the Indenture Trustee) that such action is contrary to the terms hereof or of any other Basic Agreement or is otherwise contrary to Applicable Law.

5.05 Duties to Remove Liens and Provide Reports, etc. The Indenture Trustee shall, in its individual capacity and at its own cost and expense, promptly take such action as may be necessary duly to discharge all Liens on any part of the Indenture Estate that result from claims against it arising out of events or conditions not related to the administration of the Indenture Estate. The Indenture Trustee will furnish to each holder of a Loan Certificate, the Owner Trustee and the Owner Participant with reasonable promptness after receipt thereof, duplicates or copies of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Indenture Trustee hereunder or under the Lease or the Participation Agreement, unless, in each case, the Indenture Trustee shall reasonably believe that such holder, the Owner Trustee or the Owner Participant shall heretofore have received copies thereof.

5.06 No Action Except Under Lease, Indenture or Instructions. The Indenture Trustee shall not, and shall not be required to, manage, control, use, sell, dispose of or otherwise deal with the Rail Cars or any other part of the Indenture Estate except (a) as required by the terms of the Lease, (b) in accordance with the powers granted to, or the authority conferred upon, the Indenture Trustee pursuant to this Indenture or (c) in accordance with the express terms hereof or with written instructions from a Majority in Interest of Participants.

5.07 Certain Rights of Owner Participant and Owner Trustee. Notwithstanding any other provision of this Indenture (a) the Owner Trustee and Owner Participant shall retain all rights to Excepted Payments and the right to commence an action at law to obtain such payments and to enforce any judgment with respect thereto, subject, however, to the same limitations on remedies and enforcement set forth in Section 4.03(a); (b) the Owner Participant and Owner Trustee, as the case may be, shall have the right, but not to the exclusion of the Indenture Trustee, (i) to receive from the Lessee all notices, copies of all documents and all information that the Lessee is permitted or required to give or furnish to the "Owner Participant", the "Owner Trustee" or the "Lessor", pursuant to the Lease, the Participation Agreement or any

other Basic Agreement, (ii) to inspect the Rail Cars and the records of the Lessee and otherwise exercise rights of the "Lessor" under Section 16 of the Lease, (iii) to retain all rights with respect to insurance that Section 8 of the Lease specifically confers upon the "Owner Trustee", the "Owner Participant" or the "Lessor", (iv) to provide such insurance as the Lessee shall have failed to maintain or as the Owner Trustee may desire, (v) to retain all rights with respect to replacement parts and improvements (whether removable or non-removable) and the Lessee's use and operation or modification of the Rail Cars that Sections 12.1 and 12.2 of the Lease specifically confers upon the "Owner Trustee", the "Owner Participant" or the "Lessor", (vi) to enforce the rights of the "Lessor" under Section 6 of the Lease, (vii) subject to the other applicable provisions of this Indenture, to retain the right to perform for the Lessee under Section 20 of the Lease, (viii) to consult with the holders of Loan Certificates as to enforcing compliance by the Lessee with the provisions of the Lease and (ix) the right to make any determination of the Owner Participant's Net Economic Return and to adjust Basic Rent and the Percentages as provided in Section 10 of the Participation Agreement and Sections 4 and 8 of the Lease, and to execute amendments of the Lease in connection with adjustments of Basic Rent and the Percentages; (c) so long as no Event of Default under this Indenture shall have occurred and be continuing, the Owner Trustee shall have the right, to the exclusion of the Indenture Trustee, to exercise the rights of the "Owner Trustee" or the "Lessor" under Section 17 of the Lease with respect to the Lessee's renewal of the Lease and the rights of "Lessor" under the Appraisal Procedure (as defined in the Lease); and (d) to the extent not covered by the preceding provisions of this Section 5.07, the Owner Trustee shall have the right, but not to the exclusion of the Indenture Trustee, to give or withhold consents or approvals, and to accept as satisfactory to it performance of the Lessee's obligations, under the Lease and the Participation Agreement so long as no Event of Default under this Indenture shall have occurred and be continuing.

SECTION 6

THE INDENTURE TRUSTEE

6.01 Acceptance of Trusts and Duties. The Indenture Trustee accepts the trusts hereby created and applicable to it and agrees to perform the same but only upon the terms of this Indenture, and agrees to receive and disburse all

moneys constituting part of the Indenture Estate in accordance with the provisions hereof. The Indenture Trustee shall not be answerable or accountable under any circumstances, except (a) for its own gross negligence or willful misconduct, (b) in the case of the inaccuracy of any representation or warranty contained in, or referred to by reference in, Section 6.03 or (c) for the performance of its obligations under the first sentence of Section 5.05; and the Indenture Trustee shall not be liable for any action or inaction of the Owner Participant or Owner Trustee.

6.02 Absence of Duties Except as Specified. The Indenture Trustee shall have no duty or obligation to manage, control, use, sell, dispose of or otherwise deal with the Rail Cars or any other part of the Indenture Estate, or otherwise to take or refrain from taking any action under, or in connection with, this Indenture or the Lease, except as expressly provided by the terms of this Indenture, or as expressly provided in written instructions from a Majority in Interest of Participants, and no implied duties or obligations shall be read into this Indenture against the Indenture Trustee. Except in accordance with written instructions or requests furnished pursuant to Section 5 or as expressly provided in Section 5, the Indenture Trustee shall have no duty (a) to see to any filing of any financing or other statements or continuation statements in respect of any such filing, (b) to see to any insurance on the Rail Cars or to effect or maintain any such insurance, whether or not the Lessee shall be in default with respect thereto, (c) to see to the payment or discharge of any tax, assessment or other governmental charge or any Lien of any kind owing with respect to, or assessed or levied against, any part of the Indenture Estate, (d) to confirm or verify or to inquire into the failure to receive any financial statements of the Lessee or (e) to inspect the Rail Cars at any time or ascertain or inquire as to the performance or observance of the Lessee's covenants under the Lease. The Indenture Trustee shall have no obligation or liability under the Lease by reason of or arising out of this Indenture, and the Indenture Trustee shall not be required or obligated in any manner, except as herein expressly provided, to perform or fulfill any of the obligations of the Owner Trustee under any of the agreements to which it is a party, or, except as herein expressly provided, to make any payment, or to make any inquiry as to the nature or sufficiency of any payment received by it, or present or file any claim, or take any action to collect or enforce the payment of any amounts that may have been assigned to it or to which it may be entitled at any time or times.

6.03 No Representations or Warranties. THE INDENTURE TRUSTEE MAKES (a) NO REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, AS TO THE TITLE, VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF THE RAIL CARS, OR ANY OTHER REPRESENTATION OR WARRANTY, EXPRESS OR IMPLIED, WITH RESPECT TO THE RAIL CARS WHATSOEVER and (b) no representation or warranty as to the validity or enforceability of this Indenture, the Participation Agreement, the Loan Certificates, the Lease or any other Basic Agreement or as to the correctness of any statements contained in any thereof, except to the extent that any such statement is expressly made therein by the Indenture Trustee.

6.04 No Segregation of Moneys; No Interest. Any money received by the Indenture Trustee hereunder need not be segregated in any manner except to the extent required by law, and such moneys may be deposited under such general conditions as may be prescribed by law in the general banking department of the Indenture Trustee, and the Indenture Trustee shall not be liable for any interest thereon.

6.05 Reliance; Agents; Advice of Counsel. (a) The Indenture Trustee shall not incur liability to anyone in acting upon any signature, instrument, notice, resolution, endorsement, request, consent, order, certificate, report, opinion, bond or other document or paper believed by it to be genuine and believed by it to be signed by the proper party or parties. The Indenture Trustee may accept in good faith a copy of a resolution of the board of directors of the Lessee, certified by the Secretary or an Assistant Secretary of the Lessee as duly adopted and in full force and effect, as conclusive evidence that such resolution has been duly adopted by such Board and that the same is in full force and effect. As to the amount of any payment to which any Person is entitled pursuant to clause "First" of Section 3.02(a) or clause "Second" of Section 3.03, the Indenture Trustee may for all purposes hereof rely on an Officer's Certificate of such Person. As to any fact or matter the manner of ascertainment of which is not specifically described herein, or as to which the Indenture Trustee shall deem it desirable to ascertain prior to taking, suffering or omitting any action hereunder, the Indenture Trustee may for all purposes hereof rely on a certificate signed by an authorized officer of the Lessee or other appropriate Person as to such fact or matter, and such certificate shall constitute full protection to the Indenture Trustee for any action taken or omitted to be taken by it in good faith in reliance thereon. The Indenture Trustee shall furnish to the Owner Participant and Owner

Trustee upon request such information and copies of such documents as the Indenture Trustee may have and as are necessary for the Owner Trustee to perform its duties under Section 2 hereof.

(b) In the administration of the trusts hereunder, the Indenture Trustee may execute any of the trusts or powers hereof and perform its powers and duties hereunder directly or through agents or attorneys and may, at the expense of the Indenture Estate (but subject to the priorities of payment set forth in Section 3), consult with counsel, accountants and (with the prior approval of a Majority in Interest of Certificate Holders) other skilled persons to be selected and retained by it (other than persons regularly in its employ), and the Indenture Trustee shall not be liable for anything done, suffered or omitted in good faith by it in accordance with the advice or opinion of any such counsel, accountants or other skilled persons given within such person's or persons' particular area of competence and the Indenture Trustee shall not be responsible for any misconduct or negligence on the part of any agent or attorney appointed with due care by it hereunder.

6.06 No Action in Individual Capacity. Except as otherwise provided in Sections 5.05 and 6.01, the Indenture Trustee acts hereunder solely as trustee as herein provided and not in its individual capacity, and all Persons, other than any holder of a Loan Certificate as provided in this Indenture, having any claim against the Indenture Trustee by reason of the transactions contemplated hereby shall, subject to the Lien and priorities of payment as herein provided, look only to the Indenture Estate for payment or satisfaction thereof.

6.07 No Compensation from Participants, etc. The Indenture Trustee agrees that it shall have no right against any holder of a Loan Certificate or the Owner Trustee for any fee or reimbursement as compensation for its services or recovery of its expenses hereunder, but shall look exclusively to the Indenture Estate and the duties of the Lessee under the Lease and the Participation Agreement as the source of funding for its fees and expense.

SECTION 7

SUCCESSOR INDENTURE TRUSTEES

7.01 Resignation or Removal of Indenture Trustee; Appointment of Successor. (a) Resignation or Removal. The Indenture Trustee or any successor thereto may resign at any time without cause by giving at least 30 days' prior written notice to the Owner Trustee, the Owner Participant and each holder of a Loan Certificate, such resignation to be effective on the acceptance of appointment by the successor Indenture Trustee pursuant to the provisions of Section 7.01(b). In addition, a Majority in Interest of Certificate Holders may at any time remove the Indenture Trustee without cause by an instrument in writing delivered to the Owner Participant, the Owner Trustee and the Indenture Trustee, and the Indenture Trustee shall give prompt written notification thereof to each holder of a Loan Certificate. Such removal will be effective on the acceptance of appointment by the successor Indenture Trustee pursuant to the provisions of Section 7.01(b). In the case of the resignation or removal of the Indenture Trustee, a Majority in Interest of Certificate Holders may appoint a successor Indenture Trustee by an instrument signed by such Certificate Holders. If a successor Indenture Trustee shall not have been appointed within 30 days after such resignation or removal, the Indenture Trustee, the Owner Participant, the Owner Trustee or any holder of a Loan Certificate may apply to any court of competent jurisdiction to appoint a successor Indenture Trustee to act until such time, if any, as a successor shall have been appointed by a Majority in Interest of Certificate Holders as above provided. The successor Indenture Trustee so appointed by such court shall immediately and without further act be superseded by any successor Indenture Trustee appointed by a Majority in Interest of Certificate Holders as above provided.

(b) Acceptance of Appointment. Any successor Indenture Trustee, whether appointed by a court or by a Majority in Interest of Certificate Holders, shall execute and deliver to the Owner Participant, the Owner Trustee, each holder of a Loan Certificate and the predecessor Indenture Trustee an instrument accepting such appointment, and thereupon such successor Indenture Trustee, without further act, shall become vested with all the estates, properties, rights, powers and duties of the predecessor Indenture Trustee hereunder in the trusts hereunder applicable to it with like effect as if originally named the Indenture Trustee herein; but nevertheless upon the written request of such successor

Indenture Trustee or a Majority in Interest of Certificate Holders, such predecessor Indenture Trustee shall execute and deliver an instrument transferring to such successor Indenture Trustee, upon the trusts herein expressed applicable to it, all the estates, properties, rights and powers of such predecessor Indenture Trustee, and such predecessor Indenture Trustee shall duly assign, transfer, deliver and pay over to such successor Indenture Trustee all moneys or other property then held by such predecessor Indenture Trustee hereunder.

(c) Qualifications. Any successor Indenture Trustee, however appointed, shall be a bank or trust company having a combined capital and surplus of at least \$100,000,000, if there be such an institution willing, able and legally qualified to perform the duties of the Indenture Trustee hereunder upon reasonable or customary terms.

(d) Merger, etc. Any corporation into which the Indenture Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Indenture Trustee shall be a party, or any corporation to which substantially all the corporate trust business of the Indenture Trustee may be transferred, shall, subject to the terms of Section 7.01(c), be the Indenture Trustee under this Indenture without further act.

7.02 Appointment of Additional and Separate Trustees. (a) Appointment. Whenever (i) the Indenture Trustee shall deem it necessary or prudent in order to conform to any law of any jurisdiction in which the Rail Cars or any other part of the Indenture Estate, or any part thereof, shall be situated or to make any claim or bring any suit with respect to or in connection with the Indenture Estate, the Indenture, the Lease, the Loan Certificates or any of the transactions contemplated by the Basic Agreements, (ii) the Indenture Trustee shall be advised by counsel, satisfactory to it, that it is so necessary or prudent in the interest of the holders of the Loan Certificates or (iii) the Indenture Trustee shall have been requested to do so by a Majority in Interest of Certificate Holders, then in any such case, the Indenture Trustee and the Owner Trustee shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to constitute another bank or trust company or one or more Persons approved by the Indenture Trustee, either to act as additional trustee or trustees of all or any part of the Indenture Estate, jointly with the Indenture Trustee, or to act as separate trustee or trustees of all or any part of the Indenture Estate, in any such case

with such powers as may be provided in such indenture supplemental hereto, and to vest in such bank, trust company or Person as such additional trustee or separate trustee, as the case may be, any property, title, right or power of the Indenture Trustee deemed necessary or advisable by the Indenture Trustee, subject to the remaining provisions of this Section 7.02. In the event the Owner Trustee shall not have joined in the execution of such indenture supplemental hereto within 15 days after the receipt of a written request from the Indenture Trustee so to do, or in the event an Indenture Default shall have occurred and be continuing, the Indenture Trustee may act under the foregoing provisions of this Section 7.02 without the necessity of any action by or consent of the Owner Trustee in either of such contingencies. The Indenture Trustee may execute, deliver and perform any such conveyance, assignment or other instrument in writing as may be required by any additional trustee or separate trustee for more fully and certainly vesting in and confirming to it or him any property, title, right or power which by the terms of such indenture supplemental hereto are expressly to be conveyed or conferred to or upon such additional trustee or separate trustee, and the Owner Trustee shall, upon the Indenture Trustee's request, join therein and execute, acknowledge and deliver the same; and the Owner Trustee hereby makes, constitutes and appoints the Indenture Trustee its agent and attorney-in-fact for it and in its name, place and stead to execute, acknowledge and deliver any such deed, conveyance, assignment or other instrument in the event that the Owner Trustee shall not itself execute and deliver the same within 15 days after receipt by it of such request so to do.

(b) Powers. Every additional trustee and separate trustee hereunder shall, to the extent permitted by law, be appointed and act, and the Indenture Trustee shall act, subject to the following provisions and conditions:

(i) all powers, duties, obligations and rights conferred upon the Indenture Trustee in respect of the receipt, custody, payment of moneys or the investment of moneys, shall be exercised solely by the Indenture Trustee;

(ii) all other rights, powers, duties and obligations conferred or imposed upon the Indenture Trustee shall be conferred or imposed upon and exercised or performed by the Indenture Trustee and such additional or separate trustee(s) jointly, except to the extent that under any law of any

jurisdiction in which any particular act or acts are to be performed the Indenture Trustee shall be incompetent or unqualified to perform such act or acts, in which event such rights, powers, duties and obligations (including the holding of title to the Indenture Estate in any such jurisdiction) shall be exercised and performed by such additional or separate trustee(s);

(iii) no power hereby given to, or exercisable as provided herein by, any such additional or separate trustee(s) shall be exercised hereunder by such additional or separate trustee(s) except jointly with, or with the consent of, the Indenture Trustee; and

(iv) no trustee hereunder shall be personally liable by reason of any act or omission of any other trustee hereunder.

If at any time the Indenture Trustee shall deem it no longer necessary or prudent in order to conform to any such law or take any such action or shall be advised by counsel that it is no longer so necessary or prudent in the interest of the holders of the Loan Certificates, or in the event that the Indenture Trustee shall have been requested to do so in writing by a Majority in Interest of Certificate Holders, the Indenture Trustee and the Owner Trustee shall execute and deliver an indenture supplemental hereto and all other instruments and agreements necessary or proper to remove any additional trustee or separate trustee. In the event the Owner Trustee shall not have joined in the execution of such indenture supplemental hereto within 15 days after the receipt of a written request from the Indenture Trustee so to do, or in the event an Indenture Default shall have occurred and be continuing, the Indenture Trustee may act under the foregoing provisions of this paragraph without the necessity of any action by or consent of the Owner Trustee.

(c) Indenture Trustee as Agent. Any additional trustee or separate trustee may at any time by an instrument in writing constitute the Indenture Trustee its agent or attorney-in-fact, with full power and authority, to the extent that may be authorized by law, to do all acts and things and exercise all discretions that it is authorized or permitted to do or exercise, for and in its behalf and in its name. In case any such additional trustee or separate trustee shall die, become incapable of acting, resign or be removed, all the assets, property, rights, powers, trusts,

duties and obligations of such additional trustee or separate trustee, as the case may be, so far as permitted by law, shall vest in and be exercised by the Indenture Trustee, without the appointment of a new successor to such additional trustee or separate trustee, unless and until a successor is appointed in the manner hereinbefore provided.

(d) Requests, etc. Any request, approval or consent in writing by the Indenture Trustee to any additional trustee or separate trustee shall be sufficient warrant to such additional trustee or separate trustee, as the case may be, to take such action as may be so requested, approved or consented to.

(e) Subject to Indenture, etc. Each additional trustee and separate trustee appointed pursuant to this Section 7 shall be subject to, and shall have the benefit of, Sections 4 through 10 hereof insofar as they apply to the Indenture Trustee. Notwithstanding any other provision of this Section 7.02, the powers of any additional trustee or separate trustee appointed pursuant to this Section 7.02 shall not in any case exceed those of the Indenture Trustee hereunder.

SECTION 8

SUPPLEMENTS AND AMENDMENTS TO THIS INDENTURE AND OTHER DOCUMENTS

8.01 Conditions and Limitations. At any time and from time to time, but only upon the written request of a Majority in Interest of Certificate Holders and the Owner Participant, (a) the Indenture Trustee and the Owner Trustee shall execute a supplement hereto for the purpose of adding provisions to, or changing or eliminating or waiving provisions of, this Indenture as specified in such request, (b) the Owner Trustee and/or the Indenture Trustee shall enter into such written amendment of, modification of, or supplement to the Lease or any other Basic Agreement to which Lessee is a party as the Lessee may agree to and as may be specified in such request, and (c) the Indenture Trustee and/or the Owner Trustee shall execute and deliver such written waiver or modification of the terms of any other of the Basic Agreements to which it is a party or which is assigned to it hereunder, as may be specified in such request; provided, however, that:

(i) whether or not an Indenture Default shall have occurred and be continuing, without the consent of the Owner Trustee and each holder of a Loan Certificate then outstanding, no such supplement to this Indenture or amendment of, supplement to, or waiver or modification of any Basic Agreement, shall:

(A) modify (1) any clause of the following provisions hereof: the Granting Clauses, Sections 1, 2.02, 2.03, 2.13, 2.15, 2.19, 3.01, 3.02, 3.03, 3.07, 3.08, 4.02 (to the extent it refers to the rights of the Owner Trustee under Section 4.03), 5.07, 8.01, 8.02, 8.03, 9.05, 9.06, 9.07, 9.08, 10.01, 10.05, 10.06, 10.07, 10.11 or 10.12 or (2) the definitions of the terms "Amortization Amount", "Business Day", "Domestic Business Day", "Euro-Dollar Business Day", "Event of Default", "Excepted Payment", "Indenture Default", "Indenture Estate", "Lease Default", "Majority in Interest of Participants"

(C) reduce the amount (except as provided in Section 4 of the Lease) or extend the time of payment of Rent, Stipulated Loss Value or Termination Value as set forth in the Lease,

(D) modify, amend or supplement the Lease or consent to any assignment of the Lease, in any manner that would have the effect of releasing the Lessee from its obligations in respect of the payment of Rent, Stipulated Loss Value or Termination Value for the Rail Cars or changing the absolute and unconditional character of such obligations as set forth in Section 2 of the Lease,

(E) create any additional obligations, or increase any obligations, of any Participant, the Owner Trustee or the Indenture Trustee, or

(F) modify the restrictions on amending certain provisions of the Trust Agreement, as contained in Sections 12.01 and 13.17 of the Participation Agreement, and

(ii) whether or not an Indenture Default shall have occurred and be continuing, without the consent of each holder of a Loan Certificate then outstanding, no such supplement to this Indenture shall modify (A) any of the following provisions hereof: Sections 2.01 - 2.12, inclusive, 2.14, 2.20, 2.21, 3.05, 3.06, 4.01, 5.03, 9.01 or 9.03 or (B) the definitions of the terms "Interest Period", "Majority in Interest of Certificate Holders".

Notwithstanding the foregoing, (A) the Owner Trustee and Owner Participant may enter into an amendment of the Participation Agreement, the Lease or the Trust Agreement (other than those certain provisions of the Trust Agreement referenced in Sections 12.01 and 13.17 of the Participation Agreement which provisions may be amended only as provided in such sections of the Participation Agreement) that does not adversely affect the interests of the present or past holder of any Loan Certificate or the Indenture Trustee, if the Owner Trustee shall have given the Indenture Trustee and each present and past holder of a Loan Certificate 30 days' prior written notice of such proposed amendment and the Indenture Trustee and a Majority in Interest of Certificate Holders shall have agreed that such amendment does not adversely affect the interests of the holders of Loan Certificates, and (B) subject to Section 5.03, without the consent of each holder of a Loan Certificate, no such supplement to this Indenture or waiver or modification of the terms thereof or any other document shall permit the creation of any Lien on the Indenture Estate or any part thereof except as herein expressly permitted, or shall deprive any holder of a Loan Certificate of the benefit of the Lien of this Indenture on the Indenture Estate.

8.02 Supplemental Indentures. Without the consent of any holder of a Loan Certificate but subject to the provisions of Section 8.03, at the request of either the Indenture Trustee or the Owner Trustee, the other shall join with it in entering into any indenture supplemental hereto (a) to evidence the succession of a new Person as the Indenture Trustee hereunder, the removal of the Indenture Trustee or the appointment of any co-trustee(s) or additional trustee(s), in each case in accordance with the terms of Section

7 or (b) to cure any ambiguity, to correct or supplement any provision herein which may be defective or inconsistent with any other provision herein, to convey, transfer, assign, mortgage or pledge any property to or with the Indenture Trustee, or otherwise to permit the taking of action with respect to matters arising under this Indenture which shall not be inconsistent with the provisions of this Indenture; provided, that such action shall not adversely affect the interests of the present or any past holders of any Loan Certificates then outstanding or the Indenture Trustee, and each such holder and the Indenture Trustee shall have received an opinion of independent counsel, satisfactory to each such party, to such effect.

8.03 Owner Trustee and Indenture Trustee Protected. If in the opinion of either the Indenture Trustee or the Owner Trustee any document required to be executed by it pursuant to the terms of Section 8.01 or 8.02 adversely affects any right or duty of or affects any immunity or indemnity in favor of it under this Indenture or the Participation Agreement, it may in its discretion decline to execute such document. With every such document required to be executed by either the Indenture Trustee or the Owner Trustee pursuant to the terms of Section 8.01 or 8.02, it shall be furnished by counsel satisfactory to a Majority in Interest of Participants with an opinion satisfactory in form and substance to it that such document complies with the provisions of this Indenture, does not deprive it or any of the holders of Loan Certificates of the benefits of this Indenture or of the security interest and assignment hereby created or purported to be created with respect to the Indenture Estate and that all consents required by the terms of Section 8.01 in connection with the execution of such document have been obtained. Each of the Owner Trustee and the Indenture Trustee shall be fully protected in relying on such opinion.

8.04 Form of Request. It shall not be necessary for any written request of the holders of Loan Certificates furnished pursuant to Section 8.01 to specify the particular form of the proposed documents to be executed pursuant to that Section, but it shall be sufficient if such request shall indicate the substance thereof.

8.05 Documents Mailed to Holders of Loan Certificates. Promptly after the execution by the Owner Trustee or the Indenture Trustee of any document entered into pursuant to Section 8.01 or 8.02, the Indenture Trustee shall mail, by first class mail, postage prepaid, a conformed copy

thereof to each holder of a Loan Certificate at its address last known to the Indenture Trustee, but any failure to mail such conformed copies shall not impair or affect the validity of such document.

SECTION 9

AGREEMENTS OF OWNER TRUSTEE

9.01 Liability of Owner Trustee Under Other Documents. Neither the Indenture Trustee nor any holder of a Loan Certificate shall be liable under the Lease or the Participation Agreement to perform any of the obligations of the Owner Trustee thereunder.

9.02 Appointment of Indenture Trustee as Attorney. Except in respect of Excepted Payments, and except as expressly provided herein, the Owner Trustee hereby constitutes and appoints (which appointment is coupled with an interest) the Indenture Trustee the true and lawful attorney of the Owner Trustee, irrevocably, with full power (in the name of the Owner Trustee or otherwise) to ask, require, demand and receive any and all moneys and claims for moneys due and to become due under or arising out of the Lease or the Participation Agreement, to endorse any checks or other instruments or orders in connection therewith and to file any claims or take any action or institute any proceedings which the Indenture Trustee may deem to be necessary or advisable.

9.03 Payments of Moneys to Indenture Trustee. The Owner Trustee agrees that promptly on receipt thereof, it will transfer to the Indenture Trustee any and all moneys from time to time received by it and subjected or intended to be subjected to the lien of this Indenture, or otherwise required to be paid to the Indenture Trustee, for distribution or retention by the Indenture Trustee pursuant to this Indenture, except that the Owner Trustee shall accept any amounts properly distributed to it by the Indenture Trustee under this Indenture.

9.04 Further Assurances; Financing Statements. At any time and from time to time, upon the request of the Indenture Trustee, the Owner Trustee shall promptly and duly execute and deliver any and all such further instruments and documents as the Indenture Trustee may deem desirable in obtaining the full benefits of the security interests and assignments created or intended to be created hereby and of

the rights and powers herein granted. Upon the instructions at any time and from time to time of the Indenture Trustee, the Owner Trustee shall execute any financing statement (and any continuation statement with respect to any such financing statement) or any other similar document relating to the security interests and assignment created by this Indenture, as may be specified in such instructions.

9.05 Limitations on Actions of Owner Trustee.

Except as otherwise provided in Section 5.07, the Owner Trustee agrees that, except upon the instructions of the Indenture Trustee, it will take no action with respect of any part of the Indenture Estate. Except as otherwise specifically provided herein, the Owner Trustee and Owner Participant shall not exercise any election or option or make any decision or determination under or give any notice, consent, waiver or approval under or in respect of the Lease and shall not take any other steps to exercise any rights, powers and remedies on the part of the Owner Trustee or Owner Participant under or with respect to the Lease as the Owner Participant or Owner Trustee except as it may be instructed to take by the Indenture Trustee pursuant to the terms of this Indenture, and in any such case the Owner Participant and Owner Trustee shall be fully protected in relying on an opinion of counsel to the Indenture Trustee to the effect that such instructions of the Indenture Trustee are given pursuant to the terms of this Indenture. It is understood that the Indenture Trustee shall not be required to give any instructions to the Owner Participant or Owner Trustee under this Section 9.05 unless the Indenture Trustee shall have received written instructions pursuant to Section 5.02 or as may otherwise be expressly required pursuant to the terms of this Indenture. The Owner Trustee warrants and represents that it has not assigned or pledged, and hereby covenants that it will not assign or pledge so long as this Indenture shall remain in effect, any of its estate, right, title or interest hereby assigned, to anyone other than the Indenture Trustee, and that it will not, except as provided in this Indenture, (a) enter into any agreement amending or supplementing the Lease or the Participation Agreement, (b) accept any payment other than Excepted Payments from, or settle or compromise any claim against, the Lessee or any other persons arising under any of such agreements (other than claims relating to Excepted Payments), (c) submit or consent to the submission to arbitration of any dispute, difference or other matter arising under or in respect of any such agreements (except as such pertain to Excepted Payments) or the rights of the Indenture Trustee hereunder or thereunder or (d) take or omit to take any action, the

taking or omission of which might result in an alteration or impairment of any such agreements (except as such pertain to Excepted Payments) or the security interests and assignments created or intended to be created hereby or of any of the rights created hereby or thereby. Nothing in this Section 9.05 shall preclude the adjustment by the Owner Participant or Owner Trustee of any claims under liability insurance policies maintained by the Lessee under the Lease to the extent insurance proceeds are payable thereunder to or for the benefit of the Owner Participant for its own account.

9.06 Notice of Indenture Default; Furnishing of Documents. In the event the Owner Participant or Owner Trustee shall have knowledge of an Indenture Default (which for purposes of this Indenture shall mean actual knowledge of an Indenture Default on the part of an officer of the Owner Participant or an officer in the Bond and Trustee Administration Department of the Owner Trustee), the Owner Participant or Owner Trustee, as the case may be, shall give prompt telegraphic or telephonic notice (such notice, if given orally, to be confirmed by written notice sent in the manner provided in Section 10.04) of such Indenture Default, to the Indenture Trustee and each holder of a Loan Certificate, which notice shall set forth in reasonable detail the circumstances surrounding such Indenture Default, and shall describe in reasonable detail the action the Owner Trustee is taking or proposes to take in respect thereof; provided, however, that the receipt by the Owner Trustee of written notice of such Indenture Default from the Indenture Trustee shall be deemed to satisfy the notice requirement of this Section 9.06.

The Owner Trustee shall furnish to the Indenture Trustee and to each holder of a Loan Certificate, promptly upon receipt thereof, a duplicate or copy of all reports, notices, requests, demands, certificates, financial statements and other instruments furnished to the Owner Trustee under the Lease or the Participation Agreement, including, without limitation, a copy of each insurance certificate, report or notice or other evidence received pursuant to Section 8 of the Lease, unless the Owner Trustee shall reasonably believe that the Indenture Trustee and each holder of a Loan Certificate shall have received copies thereof.

9.07 No Representations or Warranties. THE OWNER TRUSTEE MAKES NO REPRESENTATION OR WARRANTY AS TO THE TITLE, VALUE, CONDITION, DESIGN, OPERATION, MERCHANTABILITY OR FITNESS FOR USE OF THE RAIL CARS OR ANY OTHER REPRESENTATION OR WARRANTY WITH RESPECT TO THE RAIL CARS WHATSOEVER, except

that the Owner Trustee hereby represents, warrants and covenants to the Indenture Trustee and each holder of a Loan Certificate that (a) as of the Closing Date the Owner Trustee shall have received whatever title to the Rail Cars as was conveyed to it by the Lessee on such Closing Date, (b) as of the Closing Date the Rail Cars shall be free of Lessor's Liens attributable to the Owner Trustee and (c) the Rail Cars shall while a part of the Indenture Estate and at the time of any conveyance therefrom be free of Lessor's Liens. The Owner Trustee also makes no representation or warranty as to the enforceability of this Indenture, the Participation Agreement, the Lease, the Loan Certificates or any other Basic Agreement or as to the correctness of any statement contained in any thereof except to the extent that any such statement is expressly made therein by the Owner Trustee and except as set forth in Section 5.02(d) of the Participation Agreement.

9.08 Discharge of Liens. The Owner Trustee will, in its individual capacity and at its own cost and expense, promptly take such action as may be necessary to discharge any Liens created, incurred or suffered to exist by it of the type referred to in Section 6.01(a)(ii) of the Participation Agreement.

SECTION 10

MISCELLANEOUS

10.01 Termination of Indenture. This Indenture and the trusts created hereby shall terminate and this Indenture shall be of no further force or effect upon the earlier of (a) payment in full of the principal of, and interest on, all Loan Certificates then outstanding and all other amounts then due to the Indenture Trustee and any holder of any Loan Certificate hereunder or under the Lease or the Participation Agreement (directly or through any predecessor holder of such Loan Certificate), or (b) the sale or other final disposition of all property subjected or intended to be subjected to the Lien of this Indenture and the final distribution by the Indenture Trustee of all moneys or other property or proceeds constituting part of the Indenture Estate in accordance with the terms of Section 3; provided, however, that if at such time referred to in clause (b) the Lessee shall not have fully complied with all of the terms of the Lease and the Participation Agreement, this Indenture and the trusts created hereby shall continue in full force and effect in accordance with the terms hereof until such time as the

Lessee, or the Owner Trustee, as the case may be, has fully complied with such terms. Upon any such payment in full of all amounts referred to in clause (a), the Indenture Trustee shall pay all moneys or other properties or proceeds held by it under this Indenture to the Owner Trustee and shall give notice to the Lessee of such payment, take the action contemplated by Section 5.03(a) hereof and this Indenture and the trusts created hereby shall terminate and shall be of no further force or effect.

10.02 No Legal Title to Indenture Estate in Holders of Loan Certificates. No holder of a Loan Certificate shall have legal title to any part of the Indenture Estate. No transfer, by operation of law or otherwise, of any Loan Certificate or other rights, title and interest of any holder of a Loan Certificate in and to the Indenture Estate or hereunder shall entitle any successor or transferee of such holder to an accounting or to the transfer to it of legal title to any part of the Indenture Estate.

10.03 Sale of Rail Cars by Indenture Trustee Is Binding. Any sale or other conveyance of the Rail Cars by the Indenture Trustee made pursuant to the terms of this Indenture or of the Lease shall bind the Owner Trustee and the holders of Loan Certificates and shall be effective to transfer or convey all right, title and interest of the Indenture Trustee, the Owner Trustee and the holders of Loan Certificates in and to the Rail Cars. No purchaser or other grantee shall be required to inquire as to the authorization, necessity, expediency or regularity of such sale or conveyance or as to the application of any sale or other proceeds with respect thereto by the Indenture Trustee.

10.05 Payments Due Other Than on Business Days.

In any case where the scheduled date for any payment of interest on or principal of a Loan Certificate or other payment hereunder shall not be a Domestic Business Day, then such payment shall be made on the next succeeding Domestic Business Day with the same force and effect as if made on such scheduled date and interest shall accrue on the outstanding principal amount of such Loan Certificate from and after such scheduled date to the date of payment at the rate or rates of interest then in effect with respect to such Loan Certificate, calculated on the basis referred to in Section 2 of this Indenture; provided, that if such next succeeding Domestic Business Day is in a different calendar year, then such payment shall be made on the next preceding Domestic Business Day.

10.06 Separability. Any provision of this Indenture that is prohibited or unenforceable in any jurisdiction shall not invalidate the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

10.07 Written Changes Only. No term or provision of this Indenture or any Loan Certificate may be changed, waived, discharged or terminated orally, but only by an instrument in writing signed by the party or other person against whom enforcement of the change, waiver, discharge or termination is sought and any waiver of the terms hereof or of any Loan Certificate shall be effective only in the specific instance and for the specific purpose given, all in accordance with the provisions of Section 8.01 and 8.02.

10.08 Separate Counterparts. This Indenture may be executed by the parties hereto in separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. It shall not be necessary, when making proof of this Indenture, to produce or account for more than one counterpart.

10.09 Successors and Assigns. All covenants and agreements contained herein shall be binding upon, and inure to the benefit of, the parties hereto and their respective successors and assigns and each holder of a Loan Certificate. Any request, notice, direction, consent, waiver or other instrument or action by any holder of a Loan Certificate shall bind the successors and assigns of such holder.

10.10 Headings; References, etc. The headings of the various Sections herein and the Table of Contents are for convenience of reference only and shall not define or limit any of the terms or provisions hereof. References herein to Sections or subsections without reference to the document in which they are contained are references to this Indenture.

10.11 No Guarantee. Nothing contained in this Indenture shall be deemed to constitute a guarantee by the Lessee of payment of any of the Loan Certificate or shall give rise to any inference that the Lessee has so guaranteed such payment.

10.12 Governing Law. This Indenture shall in all respects be governed by, and construed in accordance with, the laws of the State of New York, including all matters of construction, validity and performance, provided that nothing in this Indenture or in any other Basic Agreement shall be deemed to constitute a waiver of any rights which any holder of a Loan Certificate may have under applicable federal law relating to the amount of interest which such holder may contract for, take, receive or charge under such Loan Certificate or hereunder.

10.13 Exercise of Rights Subject to Applicable Law. All rights, remedies and powers provided by this Indenture may be exercised, and all waivers, consents and releases provided for herein are effective, only to the extent that the exercise thereof does not violate any provision of Applicable Laws, and all provisions of this Indenture are intended to be subject to all provisions of Applicable Laws that may be controlling and to the extent necessary so that they will not render this Indenture invalid, unenforceable or not entitled to be recorded or filed under the provisions of Applicable Laws.

10.14 Security Agreement. This Indenture constitutes a security agreement for purposes of the Uniform Commercial Code of all applicable jurisdictions. Any completely executed counterpart of this Indenture may be filed as a security agreement or financing statement or as both. The addresses of the Owner Trustee, as debtor, and the Indenture Trustee, as secured party, are shown in Section 10.04.

10.15 Consent to Jurisdiction. The Owner Trustee hereby irrevocably submits to the jurisdiction of any New York state court or any federal court located in the State of New York over any action or proceeding commenced or main-

tained by the Indenture Trustee or any successor or assign and arising out of or relating to this Agreement and the other Basic Agreements to which the Owner Trustee is a party, and the Owner Trustee hereby irrevocably agrees that all claims in respect of such action or proceeding may be heard in such state or federal court. The Owner Trustee hereby irrevocably waives any objection it may now have or hereafter acquire to the laying of venue of any such action or proceeding brought in any such court and any claim it may now or hereafter acquire that any such action or proceeding brought in any such court has been brought in an inconvenient forum. The Owner Trustee agrees that final judgment in any such action or proceeding brought in any such court shall be conclusive and binding upon the Owner Trustee and may be enforced in any competent court located elsewhere. The Owner Trustee irrevocably consents to the service of the summons and complaint and any other process in any such action or proceeding by the mailing of copies of such process to the Owner Trustee at its address specified in Section 10.04 by registered or certified mail, return receipt requested. Nothing in this section shall affect the right of the Indenture Trustee to serve legal process in any other manner permitted by law or to bring any action or proceeding against the Owner Trustee or its property in any other jurisdiction.

10.16 Interest. Notwithstanding any provisions to the contrary contained herein or in any Loan Certificate or any of the Basic Agreements, in no event shall any Loan Certificate or any Basic Agreement require the payment of interest to, or permit the collection of interest by, the holder of a Loan Certificate in excess of the Highest Lawful Rate. If the effective rate of interest that would otherwise be payable to the holder of the Loan Certificate under such Loan Certificate or any Basic Agreement would exceed the Highest Lawful Rate, then the rate of interest that would otherwise be payable to such holder pursuant to such Loan Certificate or the Basic Agreements in excess of the Highest Lawful Rate shall be refunded to the Owner Trustee. All calculations of the rate of interest contracted for, charged or received by any holder of a Loan Certificate under such Loan Certificate or the Basic Agreements that are made for the purpose of determining whether such rate exceeds the Highest Lawful Rate shall be made, to the extent permitted by Applicable Laws, by amortizing, prorating and spreading in equal parts during the full stated term of the indebtedness evidenced by such Loan Certificate all interest at any time contracted for, charged or received by such holder in connection therewith.

If at any time the amount of interest payable to any holder of a Loan Certificate on any date shall be computed at the Highest Lawful Rate pursuant to the first paragraph of this Section 10.16 and if the amount of interest otherwise payable to such holder in respect of any subsequent interest computation period would be less than the amount of interest payable to such holder computed at the Highest Lawful Rate, then the amount of interest payable to such holder in respect of such subsequent interest computation period shall continue to be computed at the Highest Lawful Rate until the total amount of interest payable to such holder shall equal the total amount of interest which would have been payable to such holder if the total amount of interest had been computed without giving effect to the first paragraph of this Section plus, to the extent permitted by Applicable Law, interest on such interest at the same rate of accrual.

10.17 Certain Elections by Owner Trustee to be Exercised by Owner Participant. Pursuant to Section 6.13 of the Participation Agreement, the Owner Trustee has appointed the Owner Participant to act on its behalf in making each and every election under Section 2 hereof with respect to the type of Loan Certificates to evidence the indebtedness outstanding hereunder and the Interest Periods to be applicable to Loan Certificates. Unless the Owner Trustee shall have notified the Indenture Trustee to the contrary in writing, notices under such Section shall be deemed to have been given by the Owner Trustee if such notices are given by the Owner Participant and otherwise comply with the provisions of this Indenture.

IN WITNESS WHEREOF, the parties hereto have caused this Indenture and Security Agreement to be duly executed and delivered and their corporate seals to be hereunder affixed and attested by their respective officers thereunto duly authorized, as of the day and year first above written.
